

# Point Loma/Cabrillo Tennis Club

September 2024

**WELCOME** to another year with Point Loma/Cabrillo Tennis Club. Our fiscal year has started and our annual dues are still just \$75 per person for an entire year of tennis and pickleball. Please access our website at [www.pointlomacabrillotennis.org](http://www.pointlomacabrillotennis.org) to **renew your membership and pay your annual dues** if you have not already done so. For those who prefer to mail the membership form, one can be found attached to this newsletter and also on our website.

## Tennis Club Board Members

Our 2024-2025 board members:

President Keith Danon  
Vice President Luis Sanchez  
Secretary Shelley Parker  
Treasurer/Membership Chair Mike Moser  
Pickleball Liaison Pam Lloyd  
Newsletter Chair Terry Antl

We are looking forward to another great year. This past year has seen continued growth in membership, continued association with the San Diego Tennis Center, and good utilization of the teaching opportunities we offer. As a result of these associations and your participation and membership, we have made significant improvements to our facilities.

## Court Improvements

The four tennis courts on Catalina Boulevard (behind the Fire Station) received much-needed new wind screens. Soon our club logo will be appearing on those courts.

The two tennis courts at Cabrillo Rec Center were completely resurfaced over the summer. The entire job was completed in one week by a local company called Court Tech. The courts look great, and added to the western-most court are lines for four beautiful pickleball courts.

## **Court Improvements (cont'd)**

The four pickleball courts are available to our members and their guests. The Cabrillo courts are secured by a combination lock. Members will be notified by email whenever a change is made to the combination. Access to these courts is included in your membership. Pickleball and tennis players with paid memberships will receive the information necessary to gain access to the courts and equipment via email. If you do not receive the monthly use schedules or other announcements, or if you have any other pickleball questions or problems, please contact Pam Lloyd ([pamllloyd@cox.net](mailto:pamllloyd@cox.net)).

## **Pickleball Enthusiasts**

All levels of players are welcome and encouraged to come and join this growing group at our club. We ask that all players be kind and tolerant of one another regardless of your skill. **And PLEASE, if you have friends that are interested in pickleball, encourage them to join the club and fill out a membership application. A QR code is posted at the courts, so it is easy for "newbies" to join and pay their dues with a smart phone and a few clicks.**

## **Tennis and Pickleball Instruction**

Currently, our club sanctions instruction in tennis and in pickleball throughout the week on our Cabrillo courts only. No instruction is sanctioned on the Catalina courts. Those courts are for tennis playing only! If you notice instruction occurring on the Catalina courts, members are to ask the instructors to leave and to contact the board members, if they want to be sanctioned to teach. Private and/or group instruction and summer camps are available. If you are interested in instruction, please contact one of these sanctioned entities:

The San Diego Tennis Center offers private or group instruction and summer camps for children and adults.

# Court Usage

With the addition of pickleball and youth tennis instruction, the PLCTC board has established the following court usage priorities:

**Carrying your membership card with you gives you first priority on open courts. Cards are available to paid members by calling Mike Moser (619-223-0887). Guests or non-members may use courts only when no members are waiting.**

**Point Loma Park courts off Catalina Boulevard are reserved for recreational tennis only. Instruction and pickleball are not allowed on these courts.**

**Cabrillo Rec Center courts off Canon Street are available for tennis instruction, recreational tennis, and pickleball, following these usage priorities:**

1. Tennis instruction by officially sanctioned club instructors. (Schedules are posted by the gate.)
2. Pickleball members will receive monthly copies of court availability schedules and any changes to the gate and equipment lock combinations via email.
3. Recreational tennis is available when there is a court not in use by sanctioned instructors or pickleball players. Again, check the schedule posted by the entrance gate.
4. **IMPORTANT:** If no other players or instructors are on the courts when you are leaving, please **LOCK THE GATE!**
5. PLCTC allows 6 guests per year per member. Repeating guests should be encouraged to join the club.

## **Time on the courts for all locations:**

1. Singles play is limited to one hour.
2. Doubles play is limited to 90 minutes.
3. Individual practice is allowed only if no member is waiting.
4. Please wait outside until courts are available.
5. At least two people must be present to claim a court.

# Court Care

1. No bicycling, skateboarding, rollerblading, or skating is allowed on the courts.
2. Only tennis shoes are allowed. Please, no hard-soled or black-soled shoes.
3. Please respect the courts, nets, windscreens, seating, and shade structures.
4. Keep all areas clean.

# Code of Conduct

The PLCTC board recently adopted a code of conduct. Most tennis and pickleball clubs around the city have similar codes. We ask that as members you agree to abide by this code, which basically requests that you behave with civility and respect for all members and guests of the club.

*Our mission is to create an environment where all players are treated equally, sportsmanship is more important than wins and losses, competition is strong but not relentless, and people are more important than the game.*

## Code of Conduct

- I will exhibit fairness and honesty in my dealings with others.
- I will treat others with respect.
- I will exemplify the highest standard in ethical behavior and fair play.
- I will treat all club property with respect, and clean/tidy up after any court activity.
- I will always control my temper on and off the court.

## Unacceptable actions include, but are not limited to, the following:

- Discourteous, crude, or offensive behavior.
- Yelling at any player, member, or guest of the club.
- Intimidating, threatening, bullying, or exhibiting any other aggressive or abusive behavior toward any player, member, or guest of the club.
- Obscene language or gestures.
- Overly aggressive play towards any player.

**It is everyone's responsibility to make new players feel welcome. Violations of the Code of Conduct may result in sanctions and/or disciplinary action under the PLCTC Membership Disciplinary and Appeal Procedure available on the PLCTC website.**

## LETTER FROM THE PLCTC PRESIDENT, KEITH DANON:

On behalf of the board, I would like to express our gratitude for your support of the club. Some exciting things took place in the past twelve months. The Catalina courts got new windscreens that look fantastic. We are working to get our logo added onto those windscreens in the next few weeks. One month ago, the Rec Center courts were completely resurfaced. Per your request, we added one new pickleball court, all with bright lines, for a total of four courts. The courts look and play really well! Court cleaning at both facilities will happen a bit more often. The San Diego Tennis Center continues to excel at implementing their tennis programs. Greg and Sam make it an enjoyable and beneficial experience for everyone. Kudos to independent pro Monica Sweet for filling in some hours over there. A huge "rackets up" for Mike Moser. Mike has held every position of the board for over four decades and is indispensable to the board. Your board will continue to guide the club in a positive direction to benefit all our members. Once again, thank you for your support and we'll see you on the courts! -Keith
