

PROUDLY SERVING THE ENNIS COMMUNITY SINCE 1908

Financial Secretary Report by Ray Elleven

I started tracking the decline of Gold Membership since 2014. We grew once in 2017 and that was only a 1% growth. Over the past six years our Gold Membership has dropped 36%

Membership Decline

Year	Total Members	Percent Change
2014	348	NA
2015	317	-9%
2016	288	-9%
2017	291	1%
2018	278	-4%
2019	276	-1%
2020	255	-8%

While we gained 29 new members in 2020, it was enough to make for the 45 that resigned in January and the eight members who passed away.

2020 Membership

Gold Members as of January 1, 2020	279
New Members This Year	29
Members Resigned	-45
Deceased Members	-8
Gold Members	255
Silver Members	3
Bronze Members	50
Total Members as of December 31, 2020	308

2020 Deceased Members

Gregory Navarro, Jeanie Liska, Edwin Bouska, Father Henry Drozd, John Bain, Thomas Larson, Wayne Sylvester, Marie Vrla.

Our TJ Sokol checking account looks healthy but this will change in 2021. American Sokol did decrease their dues for 2020 and waived convention dues because of Covide-19. Likewise, Southern District waived their dues for 2020. Had they not discounted and waived dues, we would have kicked up an additional \$9,000 or more.

Dues are OVER Due

It's time to pay your Sokol KHB dues. We sent a dues renewal notice to our member last November and a second notice to 86 Gold Members and 24 Bronze Members on January 9, 2021.

Members who have not paid their dues by February 28, 2021 will be dropped from our membership. If they choose to pay dues after that date, there will be a \$15.00 reinstatement fee that goes to American Sokol.

Members that have children in our gymnastics program will unfortunately be turned away from their next class.

So, if you haven't paid your dues, please do so as soon as possible. You can mail your dues to the Sokol (P.O.Box 205, Ennis, TX 75120), drop off your dues at the hall on Monday evenings, or pay with PayPal.

Treasurer Report By Ray Elleven

I reported on our Gloom and Dome in the August 2020 edition of the Sokol KHB Newsletter. Covid-19 has caused the Club Room to close three times in 2020 hurting our rentals. No Bar. No Rentals. The result is a devastating checking account. It cost us an estimated \$3,600 a month just to be closed!

By August we were shopping for the cheapest plywood to board up the building when we received an anonymous \$50,000 donation! Then a month later, we received an additional \$10,000 from the same donor! We were asked to match the donation and we are trying. We started Monday night dinners and several members have donated cash to the cause. I'm proud to say we've raised a little over \$15,000 towards that goal.

We were getting back on our feet in December when the last shut down occurred. We think this shutdown will continue until April or May.

The Czech Music Festival, normally held in February, has been cancelled for this year and our 10k, normally held in March, has been postponed to an undetermined date. So again, we're looking at spending \$3,600 plus a month to be closed.

Thanks to our anonymous donor, member donations, and Monday night dinners, we are surviving.

February Red Letter Days

February 16, 1862 -- February 14, 1865

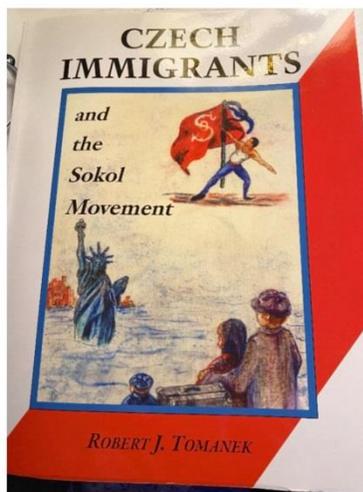

Sokol was founded on February 16, 1862 in Prague by Dr. Miroslav Tyrš and Jindrich Fügner. The name Sokol was chosen as it is the Czech word for falcon, a courageous, agile bird, fast and high flying.

Dr. Miroslav Tyrš was a Czech art historian and educator. His poor physical condition in his youth gave him an interest in sports to strengthen himself, and he came to create a system of physical training based on the Greek ideal of "kalokagathia" (in ancient Greece, an ideal physical and moral beauty) applying those principles of harmony of body and mind in this new organization. Hence Sokol's motto, "A Sound Mind in a Sound Body." The Sokol Tyrš System offered physical training utilizing gymnastics apparatus and other athletic strength and agility training techniques that required discipline of body and mind.

Jindrich Fügner, born in Prague, was a businessman of German ethnic origin, but cast aside the social and economic benefits that his German ethnic heritage would have brought him. Instead, he chose to adopt the growing nationalist movement of the Czechs and combined efforts with Tyrš. His business sense for organization proved important for the new organization. He introduced the members' habit of calling each other brother and sister. Fügner died in 1865, only three years after the founding of Sokol. But the group of outstanding men that he assembled to lead Sokol enabled the young organization to flourish after his death.

The early to mid 1800s was a time in Central Europe when a fervor of nationalism was growing. This desire for an independent state based on ethnicity, separate from the Austro-Hungarian Empire, was strong in the Czech regions of Bohemia, Moravia and Slovakia. Sokol members' patriotism and dedication to the creation of an independent Czech state was evident from the very beginning. Sokol quickly became a Czech nationalist gathering point, attracting thousands of participants. Sokol units made trips in national costumes (Kroj) to national ceremonies, public exercises, etc, to show their patriotism.

Bohemian and Moravian immigrants to the USA brought Sokol with them. On February 14, 1865, the first Sokol in the USA was organized in St. Louis, Missouri. Sokol continues to provide gymnastics training, cultural awareness and family oriented activities. At the close of every gymnastics class, the instructor calls out, "Na Zdar!" which is the Czech word for, "To Success!" The students then answer, "Zdar!" which replies simply, "Success!"

A current history of Sokol in America including a list of active and past units in the USA. Robert Tomanek, a lifelong Sokol, has compiled an accurate history based on historical documents from many sources. A must have for every Sokol member and supporter. You will be proud of the history of the Czech immigrants that expanded the Sokol idea of physical fitness in the USA since 1865.

Today we continue to bring these principles of A Sound Mind in a Sound Body as a worthy Goal.

BACK PATIO

We now have part of the back patio covered!!!! This will be a big benefit for those who like to sit outside and enjoy a refreshment, converse, or listen to music. During the winter months, we are now working on heating it somehow. Larry Trojacek has donated a gas heater but may need more if the weather turns really cold. This portable enclosure could not have been possible without the generosity of the donors: Benny & Laura Trojacek, Larry Trojacek, David & Michelle Slovak, Ray Elleven and Thomas & Deanna Betik who covered the whole cost of the project.

A huge THANK YOU goes out to Benny Trojacek and Larry Trojacek for their time and effort for the installation.

SAVE THE POOL

The current pool was built in 1972. There has not been any major renovation done to the pool except for maintenance and in recent years, painting, patching, and replacement of pumps and motors. Sad to say, but the pool is in dire need of repair!!!! We solicited quotes from four reputable pool companies to bid on resurfacing the inside of the pool, repair the coping around the pool, and to replace the underwater lights. As you can imagine, the cost is not cheap. Since COVID, we have not had the cash flow for this kind of renovation project. This project is needing a minimum of \$75,000 in order to restore the pool.

We are soliciting donations, sponsors, ideas for fundraisers, and anyone willing to help with this endeavor. Due to the current condition of the pool and the uncertainty of COVID this year, we are unsure the pool will be able to open this summer. This does provide us with an excellent opportunity to make the necessary renovations if funds are raised within the next couple of months. Please contact any Executive Board member if you are willing to help.

A BIG SPECIAL THANK YOU!!!!

Sister Georgie Morales has served as our Museum Curator for many years. During her tenure, she has donated many hours in keeping it organized, clean and ready for guests. Georgie is proud of the museum, which holds many artifacts not only about Sokol history but the Czech Culture as well. She would open the museum to special requests or dignitaries and during events like the National Polka Festival, Czech Fest, Mollie B, Sokol Slets, etc. For the health and safety of Georgie, she has decided not to continue in the role of museum curator. Liz Moucka-Krajca will now be taking over these duties. So, a big THANK YOU and much appreciation goes out to Georgie Morales for years of service and the dedication she has shown. She truly exemplifies the Sokol Spirit.

ADDITIONAL THANK YOU'S

I would like to recognize two people of the community who are not members, but support Sokol KHB.

- The first THANK YOU goes out to Jerold Jenkins for his time and equipment to help us clear the tree line on the West side of the building that the electrical lines were going through.
- The second THANK YOU goes out to Canen Scott with Disingerm INC. He sprayed and disinfected the whole hall after the Ellis County Toy Run.

It is so wonderful that our members reach out to these people to support our organization. Neither of these gentlemen asked for payment or reimbursement of any kind. Both donated their time and resources to assist us. Once again, THANK YOU.

To the Woods is a sequel to Vorel's successful *Out of the City* (2000). Having abandoned city life long ago, the Marak's live in a quaint cottage on the outskirts of a small rural village. Honza earns a very modest living as a forest laborer, while his wife Marketa works as a masseuse and alternative healer. Anyna, their nymph-like, pubescent daughter, explores the verdant landscape by night, communicating with the stags that still make the endangered woodland their home. It is in these wanderings that Anyna makes the acquaintance of locally born-and-bred forest ranger and hunter, Ludva.

Film in Czech w/ English subtitles.

PLEASE ENCOURAGE YOUR FAMILY, FRIENDS, AND RELATIVES TO JOIN.

Consider joining Sokol KHB Ennis for 2021!

Sokol KHB Ennis is entering its 113th year and there have been many changes since the organization was formed back in 1908. Its core foundations have remained solid, however, in that the organization is there to serve its members and to provide them not only with the finest gymnastics, volleyball, swimming, music and dancing facilities in the district but also to act as a professional host to many special social and cultural occasions we put on each year.

It is certainly true that while the sport of gymnastics – the coaching and the competition – is at the heart of what we provide, we are also keen to ensure that the social and cultural element meets the expectations of all our members. With that being an important focus, we always welcome our members' input.
