**Yes – The Rumors are True.....
Sokol KHB will Host the
2022 American Sokol National Convention
June 9-12, 2022**

Ninety plus delegates representing Sokol units from the states of New York, Maryland, Ohio, Michigan, Illinois, Iowa, Minnesota, Nebraska, Oklahoma, Texas, and California will be descending on the Sokol KHB facility for the quadrennial National American Sokol National Convention. Sokol KHB officers and members will be responsible for hall set-up, food service, clubroom socials, hospitality, etc. and other logistics. Delegates will primary be housed at the Comfort Inn Suites and shuttled from and to the airports and between the hotel and Sokol facility. Many volunteers will be needed to step up and help KHB puts its best foot forward. We want people to see that Sokol in Texas is bigger and better.

DID YOU KNOW????

The stone carved wreathes, “Sokol emblem”, and words “Sokol” and “Havlicek” in the Sokol KHB building marker are the actual stone building name markers from the façade over the main entrance of the large, three story Sokol Havlicek-Tyrs building in Chicago. These stone pieces were preserved through a deal between Czechoslovak memorabilia while the building was 1970s. The “-Tyrs” piece is marker elsewhere on the remained in the Chicago conversation between immediately knew where home. Plans were set in

and, through the efforts of Larry Laznovsky and with the help of the Leggett and Platt Mattress Company, were transported to Ennis. After many more years in storage from 1991 to 2008, and with the excitement of the Southern District hosting the American Sokol National Slet in Ft. Worth, the pieces were fashioned into the current KHB markers designed by Rome Milan.

Bro. Joseph Janecka, an avid collector, and the demolition crew being demolished in the mid-part of the Tyrs Pool identity KHB grounds. These pieces area until a chance 1990 Janecka and the Milan’s, who these pieces could find a new motion to crate the stone pieces

With construction nearing final closing, Larry said, “Henrietta, I can’t believe you didn’t think of putting in a time capsule.” She said, “I can’t believe you thought of it.” So, Larry dashed inside the building and a few minutes later emerged with a clean wine bottle and cap. Jerry and Henrietta enclosed photos and information and the “time capsule” was sealed inside forever.

The completed building and pool markers were dedicated in 2009. We have the efforts of Jerry and Henrietta Milan of Sokol Fort Worth and an excited Sokol KHB crew led by Larry Laznovsky to thank for these beautiful, long-lasting markers.

Sokol Memorial Day

Education Director's Report

Each year the Czech Sokols commemorate October 8 as the reminder of the tragic events in the organization's history during the Hitler Nazi regime. On the night of October 7, 1941, the "Sokol Action" was launched by a decree of Nazi Reinhard Heydrich, acting Reich Protector of Bohemia and Moravia. The decree's orders were to arrest and subsequently deport Sokol representatives to concentration camps and to paralyze the organization's resistance activity. On that day hundreds of Sokol members were arrested, the organization was dissolved, and its property was confiscated.

Throughout the Second World War, Sokol was among the most prominent sources of resistance. Over 3,000 Sokol members were executed during the Nazi totalitarian regime and another 8,000 were imprisoned.

In addition to physical fitness, the Sokol ideal embraced the founding of an independent Czechoslovakian nation rooted in freedom for the Czechs and Slovaks during the Austro-Hungarian Empire before World War I. So, it was natural for the Czech Sokols to rebel against the Nazis in the days before and during World War II.

During 2018, the Civic Democratic Party of the Czech Republic proposed the inclusion of Sokol Memorial Day (Pamatny den Sokolstva) as an "Important Day" of the Czech Republic. In January 2019, the Senate of the Czech Republic approved October 8th to be recognized as Sokol Memorial Day. President Milos Zeman signed this legislation.

At the October 22, 2019 Executive Board meeting of American Sokol, a motion was approved that American Sokol will observe Sokol Memorial Day. We share our roots with Sokols and together we will always remember October 8 with Sokols around the world.

At present, the World Sokol Organization represents 13 Sokol organizations from 18 countries worldwide.

Na Zdar! Sister Liz Moucka Krajca -- Education Director, Sokol KHB Ennis

Swimming Pool Future

One of the hot topics at the Annual Membership Meeting will be future of the Sokol swimming pool. The pool has been closed for two years because of the needed repairs. The gunite is flaking and in some places, it has worn to the ground. The pool lighting is not safe and cannot be used at night.

The bids to repair the pool has varied from \$50,000 to \$70,000 and quite honestly, we do not have money to repair the pool. Compounding the issue, the last two years of operation the pool barely made a profit and the City of Ennis is planning on building a water park within the next five years. This competition may cost us customers - hurting our swimming pool revenue.

So, what do we do with the pool? Have fund raisers for repairs? If we repair the pool, will it lose money with the city's water park opens? Should we fill it in? We are paying liability insurance for the pool even if it's not being used. Think about it and bring your suggestions, questions, and comments to the Annual Membership Meeting on December 4, 2021.

THIS EVENT IS A GREAT WAY TO CELEBRATE

Doors Open 5pm - Accordion Music by David Slovak 6pm - Featured Film: "Boys of the Mountains" 7pm

Old members, new members, friends and neighbors are all invited to the social & 2018 Czech movie:
"Boys of the Mountains"
Film is in Czech w/ English subtitles & will be shown in the Clubroom which offers sufficient space for social distancing for all.
No Cover Charge. Cash Bar.
Pizza, chicken strips, cheese sticks, jalapeno poppers, fried pickles & snacks available at bar.

Czech Title: "Kluci z Hor"
The film tells the story of a mentally handicapped uncle (J. Lábus) with his nephew (M. Dejdar), who brings fate together at one point to gradually form a bond between them, which is a presentation of strength and the "power" of friendship. This is then put to the test by those who try to separate them for various reasons. The film is, among other things, a confrontation of two main, character-free protagonists with those who have long since lost their innocence and are guided mainly by what can benefit them, often at any cost.
