However, the Unit is authorized to pay reasonable compensation for services actually rendered and to make payments and distributions in furtherance of its tax exempt purposes.

II. Administration of Donations

1. Donations. All donations of any nature, unless designated for a specific purpose, shall be used for such purposes as the Unit may determine; and in the absence of any direction by the Unit, such may be used for the general purposes of the Unit. Donations include bequests and devises of deceased persons. At the discretion of the Unit meetings, the Unit may raise revenues through fund-raising activities and donations. The Unit has the right to refuse any donation made or offered to the Unit with or without cause in its sole discretion.
2. All Donations Subject to these Bylaws. Donors may make donations to or for the use of the Unit by naming or otherwise identifying the Unit in the gift transfer instrument. Each donor by making a donation to or for the use of the Unit accepts and agrees to all the terms of these Bylaws. Further, each donor specifically provides that any fund created as a result of such donation shall be subject to the provisions in these Bylaws relating to the presumption of donor's intent, the variance from donor's directions, for amendments and dissolution, and to all other terms of these Bylaws as amended from time to time.
3. Segregation of Funds. No donation shall be required to be separately invested or held unless the donor so directs, or it is necessary in order to follow any other direction by the donor as to purpose, investment, or administration, or in order to prevent tax disqualification, or is required by law. However, the Unit may segregate any fund whenever convenient or useful as determined by the Unit in its sole discretion. Directions for naming a fund as a memorial or otherwise may be satisfied by keeping under such name internal bookkeeping accounts reflecting appropriately the interest of such fund in each common investment.
4. Improper Donor Directions. If any direction by the donor, however expressed, would, if followed, result in the use of any donation or fund contrary to the charitable purposes of the Unit, or if the Unit is advised by counsel that there is a substantial risk of such result, the direction shall not be followed, but shall be varied by the Unit so far as necessary to avoid such result, except that if a donor has clearly stated that compliance with the direction is a condition of such donation, then the donation shall not be accepted in case of such advice unless an appropriate judicial or administrative body first determines that the condition and direction need not be followed. Reasonable charges and expenses of counsel for such advice and proceedings shall be proper expenses of administration.
5. Changed Circumstances. Whenever the Unit decides that conditions or circumstances are such or have so changed since a direction by the donor as to purpose, or as to manner of distribution or use, that literal compliance with the direction is unnecessary, undesirable, impractical or impossible, or the direction is not consistent with the Unit's charitable purposes, it may, by affirmative vote of two-thirds (2/3) at a Unit meeting, order such variance from the direction and such application of the whole or any part of the principal or income of the fund to other charitable purposes, as in its judgment will then more effectively serve such needs. Similarly, whenever the Unit meeting decides that a donor's directions as to the investment or administration have because of changed circumstances or conditions or experience, proved impractical or unreasonably onerous, and impedes effectual serving of such needs, the Unit meeting may likewise order a variance from such directions to the extent in its judgment is necessary.
6. Charitable Trusts. If a donation is made to the Unit by means of any charitable trust or charitable trust instrument, the payments to or for the use of the Unit shall be regarded as Unit funds only when the Unit becomes entitled to their use, but the Unit may take such actions as it from time to time deems necessary to protect the Unit's rights to receive such payments.
7. Unit Determinations. The Unit shall from time to time but not less frequently than annually:
 - a) Determine all distributions to be made from net income and principal of each fund pursuant to these Bylaws and any applicable donor's directions and make payments to organizations or persons to whom payments are to be made, in such amount and at such times and with such accompanying restrictions, if any, it deems necessary to assure use for the charitable purposes and in the manner intended.
 - b) Determine all disbursements to be made for administrative expenses incurred by the Unit and direct to the respective officers as to payment thereof and funds to be charged. Disbursements for proper administrative expenses incurred by the Unit, including salaries for such professional and other assistance as it from time to time deems necessary, shall be directed to be paid as far as possible, first from any funds directed by the donor for such purpose, and any balance out of other Unit funds.
8. Making of Distributions. The Unit may, in furtherance of the Unit's charitable purposes, when needs therefor have been determined, and with appropriate provisions to assure use solely for such purposes, direct distributions to such persons, organizations, governments or governmental agencies as in the opinion of the Executive Board can best carry out such purposes or help create new qualified charitable organizations to carry out such purposes.
9. Distribution of Principal. Determinations may be made to distribute all or part of the principal from funds donated without directions as to principal or income, as well as pursuant to directions expressly permitting the use of principal. The Unit shall in such circumstance inform the investment manager of the Unit, if any, as far in advance as the Unit deems practicable so as to permit the investment manager to adjust its investment policies accordingly and may, upon being advised as to how the desired distribution and any necessary liquidation of investments can most economically be accomplished, adjust its directions for distribution accordingly.

 - a) A fiduciary has a personal interest in a vendor of goods or services to the Unit;
 - b) Unit employees are loaned to other organizations, or the employees of another organization are loaned to this Unit;
 - c) Unit fund raisers give financial advice to donors; or
 - d) Project funding requests are submitted by a potential or actual grant recipient with which a fiduciary is connected.
3. All conflicts of interest must be disclosed at Unit meetings. After disclosure is made, the individual with a conflicting interest must not participate in judging the merits of that interest. That is, such individual must abstain from voting on, or recommending a course of action with respect to, the situation giving rise to the conflict. When these are done, the conflict of interest has been properly discharged.
4. The Unit shall encourage all fiduciaries to prevent conflicts of interest where possible.
 - a) Fiduciaries should refuse to enter into self-dealing relationships with the Unit as a vendor.
 - b) Fiduciaries should not accept anything but gifts of insubstantial value from vendors.

 - g) A fiduciary should not participate in any way to submit, review, process or make a recommendation concerning a funding proposal on behalf of any potential or actual grant recipient which employs him or her or with which the fiduciary is affiliated or related, or concerning a funding proposal for a project in which the fiduciary will participate.

The termination of any action, suit, or proceeding by judgment, order, settlement, conviction, or on a plea of nolo contendere or its equivalent, shall not, or itself, create a presumption that the person did not act in good faith and in a manner that the person reasonably believed to be in or not opposed to the best interests of the Unit or its members and, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.
2. **Derivative Actions.** Subject to all of the provisions in this Section, the Unit shall indemnify any person who was or is a party to or is threatened to be made a party to any threatened, pending, or completed action or suit by or in the right of the Unit to procure a judgment in its favor by reason of the fact that the person is or was a director or officer of the Unit or, while serving at the request of the Unit as a director, officer, partner, trustee, employee, or agent of another foreign or domestic corporation, partnership, joint venture, trust, or other enterprise, whether for profit or not, against expenses (including attorney fees) and amounts paid in settlement actually and reasonably incurred by the person in connection with the action or suit, if the person acted in good faith and in a manner the person reasonably believed to be in or not opposed to the best interests of the Unit or its members. However, indemnification shall not be made for any claim, issue, or matter in which the person has been found liable to the Unit unless and only to the extent that the court in which the action or suit was brought has determined on application that, despite the adjudication of liability but in view of all circumstances of the case, the person is fairly and reasonably entitled to indemnification for the reasonable expenses incurred.
3. **Expenses of Successful Defense.** To the extent that a person has been successful on the merits of otherwise in defense of any action, suit, or proceeding referred to in this Section, or in defense of any claim, issue, or matter in the action, suit, or proceeding, the person shall be indemnified against actual and reasonable expenses (including attorney fees) incurred by the person in connection with the action, suit, or proceeding and any action, suit, or proceeding brought to enforce the mandatory indemnification provided by this Section.

5. **Contract Right; Limitation on Indemnity.** The right to indemnification conferred in this Section shall be a contract right and shall apply to services of a director, officer, or as an employee or agent of the Unit as well as in the person's capacity as a director or officer. Except as provided in Paragraph 3 of this Section, the Unit shall have no obligations under this Section to indemnify any person in connection with any proceeding, or part thereof, initiated by the person without authorization by the Executive Board.
6. **Determination That Indemnification Is Proper.** Any indemnification under this Section (unless ordered by a court) shall be made by the Unit only as authorized in the specific case upon a determination that indemnification of the person is proper in the circumstances because the person has met the applicable standard of conduct set forth in Paragraph 1 or 2 of this Section, whichever is applicable, and upon an evaluation of the reasonableness of expense and amounts paid in settlement. The determination and evaluation shall be made in any of the following ways:
 - a) By a majority vote of a quorum of a Unit meeting consisting of members who are not parties or threatened to be made parties to the action,

8. **Expense Advance.** The Unit may pay or reimburse the reasonable expenses incurred by a person referred to in Paragraph 1 and 2 of this Section who is a party or threatened to be made a party to an action, suit, or proceeding in advance of final disposition of the proceeding if all of the following apply:
 - a) The person furnishes the Unit a written affirmation of his or her good faith belief that he or she has met the applicable standard of conduct set forth in Paragraph 1 or 2 of this Section;
 - b) The person furnishes the Unit a written undertaking executed personally, or on his or her belief, to repay the advance if it is ultimately determined that he or she did not meet the standard of conduct; and
 - c) A determination is made that the facts then known to those making the determination would not preclude indemnification under Paragraph 1 or 2 of this Section.The authorization of payment must be made in the manner specified in Paragraph 6 of this Section.
9. **Non-Exclusivity of Rights.** The indemnification or advancement of expenses provided under this Section is not exclusive of other rights to which a person seeking indemnification or advancement of expenses may be entitled under a contractual arrangement with the Unit. However, the total amount of expenses advanced or indemnified from all sources combined shall not exceed the amount of actual expenses incurred by the person seeking indemnification or advancement of expenses.
10. **Indemnification of Employees and Agents of the Unit.** The Unit may, to the extent authorized from time to time by the Executive Board, grant rights to indemnification and to the advancement of expenses to any employee or agent of the Unit to the fullest extent of the provisions of this Section with the respect to the indemnification and advancement of expenses of any director or officer of the Unit.

13. **Changes in Texas Law.** If there is any change to the Texas statutory provisions applicable to the Unit relating to the subject matter of this Section, then the indemnification to which any person shall be entitled under this Section shall be determined by the changed provisions, but only to the extent that the change permits the Unit to provide broader indemnification rights than the provisions permitted the Unit to provide before the change. Subject to the next Paragraph, the Executive Board is authorized to amend these Bylaws to conform to any such changed statutory provisions.
14. **Amendment or Repeal of This Section.** No amendment or repeal of this Section shall apply to or have any effect on any director, officer, employee, or agent of the Unit for or with the respect to any acts or omissions of the director, officer, employee, or agent occurring before the amendment or repeal.
