

SYMPOSIUM ON SYNTHESIS, CATALYSIS AND CHEMICAL BIOLOGY 2024

VENUE

K. VENKATRAMAN AUDITORIUM,
INSTITUTE OF CHEMICAL TECHNOLOGY, MUMBAI

DATES

18 & 19 JANUARY 2024

About the conference

Department of Chemistry, ICT Mumbai is proud to organize 'Organic Chemistry Symposium' on Synthesis, Catalysis and Chemical Biology on the 18 and 19 January 2024 at ICT. We have brought together an array of talented and highly accomplished scientists from all over India who have actively involved in carrying out highly quality research. The theme of the conference also has been selected given the paradigm shift in the current area of research in India from the tradition synthesis to Catalysis (Homogeneous, Heterogeneous, Organocatalytic, Organometallic) and Chemical Biology. The conference will be held offline but live streaming on YouTube live will also be made available for the wider audience.

ORGANIZING COMMITTEE

Dr. Anant R. Kapdi (Convener)
Prof. Atul Chaskar (Co-Convener)
Prof. B. M. Bhanage (Head, Department of Chemistry, ICT)
Dr. Shraeddha Tiwari
Dr. Pavan More
Dr. Rahul Pinjari
