Complete Suite of Billing & Payment Services

Eliminate headaches when you choose BillFlash as your **one-stop shop** for Billing & Payment Services that **work together** for you.

Online eBill

- Send cost-saving **paperless bills** securely online through our site MyProviderLink.com
- **Customize** accepted payment methods and messages
- **Expedite online payments** through MyProviderLink.com

Online ePay

- Payers (patients or customers) **pay you online** at our site MyProviderLink.com
- Payers can send **messages to you** with their ePay
- ePays are included in your **consolidated Payments Report**

Print & Mail

- Send **professionally printed** bills via USPS First-Class Mail
- **Customize** accepted payment methods, messages, and color
- **Simplify processing** with payment coupons and return envelopes

In OfficePay

- Process **walk-in, mail, and phone** payments
- Payers can see **OfficePays online** at MyProviderLink.com
- OfficePays are included in your **consolidated Payments Report**

MyProviderLink.com

Your Payers can find their eBills and make ePays through MyProviderLink.com. You can customize your messaging on the site.

Your Payers can see current balances which reflect any payments received by you through either OfficePay or ePay.

Your Payers can add messages TO you on their payments. They can also see messages FROM you on each payment.

Integration with your Billing Application

BillFlash integration with your Billing Application **further reduces the steps** for you to complete your work.

Improve Billing Experience & Results

Take Control of Your Bills

- Edit **messages**
- Delete **individual bills**
- Change **colors**
- Review and **Approve files**

Send Bills In Minutes

Send traditional **Mail**, online paperless **eBills**, or **BOTH** at no extra cost.

Online eBill

Delivery Time

Approved bills are sent same day.

Cost Savings

Typically you'll save over 60% when you convert your mail over to paperless eBills.

Notice Emails

Customize your eBill Notice template that Payers receive which alerts them to their new eBill and instructs them how to access it through MyProviderLink.com.

History Online for Payers

Payers can easily find current and past bills online at MyProviderLink.com which saves you time responding to requests for a "lost bill".

Print & Mail

Delivery Time

Approved bills are mailed next business day.

Payment Coupons and Return Envelopes

Each Mailed bill includes a Payment Coupon and Return Envelope which increases your payment cash flow and reduces your processing costs.

Address Updating

With the USPS' National Change of Address ("NCOA") service, your Mail will be automatically printed with any new addresses for undelayed bill delivery and you'll get an Address Change Report to update your billing records.

Additional Features

- ✓ **Professional Designs & Free Template Customization**
Our customizable bill templates are proven to drive results. You control which forms of payment you accept and can invite payments to be made online at MyProviderLink.com. You can easily manage your own Templates (Mail Statements, eBills, Collection Letters, Payment Receipts, etc.) and customize your messages, colors, and forms of payment you accept.
- ✓ **View Sent Bills Online**
Get on the same page when Payers ask questions about their bill because you can now see their actual bill. You'll save time & money answering billing questions.
- ✓ **Comprehensive Delivery Reports**
You can easily see when files have processed, bills have been sent, and much more detail.
