

Rapid Response Info Sheet

Rapid Response is a product by Fruitmommy Organic Solutions that provides both micro and macro nutrition for your plants. This product is completely organic and vegan, and the water-soluble powder instantly mixes to provide a rich liquid that is very simple to pour over plants:

- Provides amino acid nutrients for plants and trees
- Includes a pH water treatment
- Mixture has kelp, humic acid, fulvic acid, and mycorrhizae fungi
- Starts working immediately
- New growth can be seen in as little as 48 hours
- Can be used to save a struggling tree or for monthly maintenance
- Benefits all trees, plants, and veggies
- Water soluble powder mixes easily
- Mixture is highly concentrated, do not use more than once every 7 days (1 tsp. = 1 gallon)

Use for the following conditions in trees and plants:

Micronutrient deficiency, brown leaf tips, blackened branches, peeling bark, yellow leaves, weak growth habit, dead branches, poor fruit quality, aborted fruit or flowers, low harvest numbers, poor taste, or low sugar produce, splitting of fruit.
