PRESCRIPTION MEDICATION POLICY

Wells Community Boys & Girls Club urges parents to schedule any necessary medication that needs to be taken, outside of Club attendance. If medication must be administered during club hours, it must be done so in accordance with the following policy.

The purpose of this policy is to provide control over the administration and use of medications by members of the WCBGC, to assure that such drugs are prescribed by and administered according to the instructions of a physician; and to promote and facilitate good health and medical treatment of members of WCBGC.

If the administration of any drug prescribed by a physician requires specific training, such as an injection, WCBGC reserves the right to refuse the responsibility of administering said medication.

Authorization Requirements

- 1. For a member whose medication must be administered at the club, a health plan for each medication must be in place before the administration of the medication.
- In addition to the health form, the parents and/or guardians of the member must meet with the director prior to the authorization of medication usage to outline dosage, frequency and items relating to the use of the medication.
- 3. New forms must be submitted at the beginning of each school year and a new form must be completed for each new prescription medication.
- 4. The medication and signed forms must be returned to the club location before commencement in the program. The Parent or Guardian must personally deliver the medication.
- 5. The first dose of medication(s) should always be administered at home to ensure there are no allergic reactions to the medication(s).

Prescription Identification

Prescribed medication shall be received in the container in which it was dispensed by the licensed prescriber/ licensed pharmacist and labeled with:

- Member's name
- 2. Name of medication and strength
- 3. Dose of medication
- 4. Time or interval of administration
- 5. Expiration of medication
- 6. Route of Administration

Medication Exclusions

The below listed medications will not be administered at the club location:

- 1. Over the counter medications
- 2. Herbal supplements
- 3. Homeopathic Remedies
- 4. Shot administered medication

Refusal of Medication

If any of the policies outlined in the here stated policy are not met, Wells Community Boys & Girls Club will refuse to administration any medication's until all documentation is correctly received.

Record Keeping and Medication Storage

A locked storage area shall be designated for the storage of medication. Medication requiring refrigeration shall be kept in a refrigerator in an area not commonly used by members.

Each dosage of medication will be logged and stored at the club location. This does not include medication used on an "as needed" basis, if the medication is carried and administered by the member, documentation will be unable to occur.

Membership Discontinuation

If a member ceases to participate in the program, medication must be picked up within three (3) months of the last visit or staff will discard the medication.

No person who has been authorized by the parent and/or guardian to administer medication shall be held liable in civil damages for administering or failing to administer the drug, unless such person acts in a manner that constitutes gross negligence or reckless misconduct.

Self-Administered Medications

- A. A member may self-administer medication at the club or during activities if so ordered by his/her medical provider. When self-administering medication, the member must do so in the presence of an adult and documentation of the administration must take place.
- B. For "as needed" medications such as those taken by members with asthma or allergies, the physician may also order that the member carry the medication on his or her person for his/her own discretionary use according to the medical instructions. In this case, no daily documentation will be possible in this case.

Assumption of the Risk and Waiver of Liability Relating to Coronavirus/COVID-19

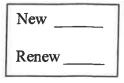

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Wells Community Boys & Girls Club has put in place preventative measures to reduce the spread of COVID-19; however, the Club cannot guarantee that you or your child(ren) will not become infected with COVID-19. Further, attending the Club could increase your risk and your child(ren)'s risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my child(ren) and I may be exposed to or infected by COVID-19 by attending the Club and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed to or infected by COVID-19 at the Club may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Club employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I or my child(ren) may experience or incur in connection with my child(ren)'s attendance at the Club or participation in Club programming ("Claims"). On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless the Club, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of the Club, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after participation in any Club program.

The Indiana Department of Education ("IDOE") would like to collect data on activities and events taking place in classrooms, schools, and school related programs throughout the state. The Family Educational Rights and Privacy Act ("FERPA") requires the IDOE and 21st Century Community Learning Center ("21st CCLC") to obtain prior written consent from the parent, guardian, or eligible student before releasing any personally identifiable information about a student. The information requested will be used to calculate the impact the 21st CCLC has on student performance and to meet reporting requirements as a result of receiving state and federal funds.

Boys & Girls Clubs in Indiana (Boys & Girls Clubs of La Porte County, Boys & Girls Clubs of Greater Northwest Indiana (Lake Station and Portage), Wells Community Boys & Girls Clubs, Lide White Memorial Boys & Girls Club, and Boys & Girls Club of Tipton) is dedicated to establishing a community learning center designated to provide students with academic and enrichment opportunities, as well as additional activities to complement their regular academic programs. Quality programs are those that demonstrate a high daily attendance rate and engagement with family members of active participants. Programs that demonstrate these characteristics are more likely to have higher student growth, increased passage rates of local and state assessments, and students pursue post-secondary education.

I understand that this authorization is made pursuant to the Family Educational Rights and Privacy Act ("FERPA"), set forth in 20 USC §1232g and its regulation in 34 CFR Part 99 (as amended in 2012). Furthermore, I understand that this consent is made pursuant to 34 CFR 99.30(a), which requires that (1) the parent or eligible student's consent specify the records to be disclosed, (2) state the purpose of the disclosure, and (3) identify the party or parties to whom the disclosure may be made.

By signing this form, I grant the school my student attends permission to disclose to the 21st CCLC the following information. I also grant permission to the 21st CCLC to re-disclose the following information to the re-disclosure parties.

- 1. Records Disclosure: School Registration Information/Demographic Data, Assessment Data, Student Grades, School Day Attendance, Survey Data, Free and Reduced Lunch Status, Attendance Data Student Grades, Assessment Data, Demographic Data, High School credits earned, graduation and advancement data.
- 2. Disclosure Parties: 21st CCLC
- 3. 21st CCLC Re-disclosure Parties:
 - a. Indiana Department of Education
 - b. IDOE contracted statewide evaluator
 - c. United States Department of Education
- 4. Purpose of Each Disclosure: Collect data to calculate the impact 21st CCLC has on student performance.

All records and information regarding services will be protected by FERPA, which governs the exchange of confidential information. The exchange of information will be limited to the authorized staff of the 21st CCLC and the aforementioned re-disclosure parties. No individual student data will be released beyond that which is specified in this authorization.

This authorization, to receive services from the 21st CCLC and to exchange confidential information, shall remain in effect for the period of my student's enrollment in the 21st CCLC, or until rescinded in writing. I understand that this release may be revoked by me at any time with a written request dated and signed by me, except to the extent that the 21st CCLC has already acted in reliance upon this consent. Written revocations shall be sent to: Lana Taylor, Executive Director, Boys & Girls Clubs in Indiana, 973 N Shadeland Ave, Box 296, Indianapolis, IN 46219, Phone: (317) 356-2308 and Fax: (317) 356-2320, Email: ltaylor@indianabgc.org

I understand the 21st CCLC program requires ten (10) business days to process my request. I understand that personal records are protected by FERPA and any additional disclosure or re-disclosure, not authorized by this consent or otherwise permissible pursuant to federal or state law, is prohibited.

I have read this authorization before signing and I fully understand the contents, meaning, and impact of this release.
