The Stud Dog Owner and Bitch Owner agree as follows:

1. **Compensation.** Bitch Owner agrees to pay Stud Dog Owner (a) a stud service fee ("**Stud Fee**") of \$1,000 of which a \$250 breeding fee ("**Breeding Fee**") is payable prior to breeding and is non-refundable. The remaining balance of \$750 shall be due in full at the time the litter registration is signed by Stud Owner. All fees are payment for the stud service only and shall not be construed as a guarantee of puppies. The stud fee shall not be refunded, in whole or in part, for any reason, except as specifically provided for within this contract. All payments due under this Agreement shall be made in US Dollars and paid to Breeder via cash, PayPal, Venmo, or Good Dog.
 - a. Processing Fee. A 4% processing fee will apply to all PayPal and Venmo transactions. A 7% processing fee will apply to all Good Dog transactions. Processing fees will not be applied towards the Stud Fee.

- b. Frozen Semen Fee. If using frozen semen, an additional non-refundable fee of \$200 shall be added to the above mentioned Stud Fee and processing fees.
- c. Puppy Back Lieu of Stud Fee. If Stud Owner elects to receive a puppy in lieu of the Stud Fee, Stud Owner shall receive (a) first pick puppy if Bitch Owner is not keeping a puppy, or (b) second pick puppy if Bitch Owner is keeping a puppy. Puppy selected by Stud Owner will carry the “Meramec” kennel name first and may or may not include the Bitch Owner’s kennel name.
- d. Boarding Fee. A boarding fee of \$25 per day will be paid to Stud Owner if Bitch is to be left in the care of Stud Dog Owner. Breeding Fee and all other expenses related to the breeding shall be paid prior to Bitch being returned to Bitch Owner.

2. **Breeding & Litter.**

- a. Breeding. This breeding shall be:
 - ☐ Natural service.
 - ☐ with fresh semen via artificial insemination.
 - ☐ with fresh, chilled semen via:
 - ☐ artificial insemination.
 - ☐ transcervical insemination.
 - ☐ surgical implantation.
 - ☐ with frozen semen via:
 - ☐ transcervical insemination.
 - ☐ surgical implantation.

The parties agree that any form of insemination or implantation must be performed by a licensed veterinarian or breeder at Bitch Owner’s sole cost.

- b. Natural Breedings. The stud service will be performed as soon as the Bitch will allow, then subsequently every 24 to 48 hours, for as long as the Bitch will “stand” unless otherwise instructed by the Bitch Owner. Only two (2) services are guaranteed per bitch. Artificial insemination will be performed at the discretion of Stud Dog Owner at the sole cost of Bitch Owner.
- c. Semen Collections. Stud Dog Owner agrees to provide one (1) collection and shipment of fresh-chilled semen for non-local breedings and up to two (2) collections of fresh semen for local breedings. Bitch Owner shall be responsible for all expenses associated with collecting and shipping such semen. Stud Dog Owner does not guarantee the quality of the semen upon collection, shipment, insemination, or implantation.
- d. Breeding Expenses. Bitch Owner agrees to pay all expenses incurred for the purpose of the Breeding at the time in which they are occurred, including, but not limited to, transportation of the Bitch, all veterinary costs, artificial insemination costs, semen collection (fresh, chilled, or frozen), and the shipping of the same, as applicable. Payment arrangement should be made with the Stud Owner’s veterinarian of choice prior to semen collection and/or artificial insemination.

- e. Repeat Breedings. If Bitch fails to conceive, the Breeding Fee shall be applied to one repeat breeding of the same Bitch to the same Stud Dog on the Bitch's next heat cycle. If either the Bitch or Stud Dog is unavailable, the repeat breeding may be given to an agreed alternate or postponed until the Bitch's next heat cycle. The same terms of this Agreement will apply to such repeat breeding. If no alternate can be agreed upon or none are available, Bitch Owner shall not pay the remaining balance (\$750) and no return service shall be given. If Bitch fails to conceive as a result of the repeat breeding, then this Agreement shall be terminated, no refund will be given, and Stud Dog Owner shall have no further obligation. If ownership of the Bitch changes, the right of a repeat breeding shall be at the option of the Stud Dog Owner. Bitch Owner waives the right to a repeat breeding regardless of if the Bitch fails to conceive when the Breeding is completed with frozen semen.
 - f. Litter Guarantee. Three (3) live puppies constitute a litter. If Bitch whelps less than three live puppies, Stud Dog Owner is due \$250 per puppy in addition to the Breeding Fee and all breeding expenses. No repeat breeding shall be given if Bitch whelps less than three live puppies.
3. **Bitch Owner Obligations.** Bitch Owner represents, warrants, and agrees as follows:

In such a case, Bitch Owner agrees to accept financial responsibility for all reasonable costs incurred in the return of the Bitch.

- d. Notification. To notify Stud Dog Owner, in writing, of the birth and number of puppies within a week of the birth of any puppies resulting from the Breeding.
 - e. Accidental Breedings. To keep the Bitch properly confined following the Breeding for the duration of her heat cycle to ensure there are no accidental breedings. If such accidental breeding does occur, Bitch Owner agrees to notify Stud Dog Owner within 24 hours. In addition, Bitch Owner agrees to have each puppy from such accidental breeding DNA profiled, at Bitch Owner's sole expense, to establish parentage prior to selling, giving away, or otherwise placing any puppy.
 - f. Emergency Care. If the Bitch is in the care of Stud Dog Owner, Bitch Owner hereby grants Stud Dog Owner permission to authorize veterinary services for the Bitch in the event of an emergency, or if the Bitch's health or continued health appears to be in jeopardy. 6. **Confidentiality of Disputes.** Bitch Owner and Stud Dog Owner agree, that in the event of a dispute between them, neither will publish or communicate the existence or content of such dispute in any media or forum, including social media, provided that this provision shall not prevent either party from bringing legal action or engaging in confidential mediation.
