\*Note you must be a current Active member of the ATSA to register lambs

### Information on Semen used for AI

Sire's Name/Tag #: \_\_\_\_\_ ATSA Registration # \_\_\_\_\_

Date of AI: \_\_\_\_\_ Technician that performed AI \_\_\_\_\_

**Include a picture of the straw (if available) used with identification clearly visible.  
You may attach it to an email or print and mail in, with this form.**

**Note: For semen to be eligible for use in producing registered ATSA animals, an Imported Semen Form or a Domestic Semen Form must be on file with ATSA. You can find both these forms on the ATSA website.**

As the owner of the ewe at the time of the Artificial Insemination, I verify that the above information is accurate and correct.

Breeder's Signature \_\_\_\_\_ Complete
