Join us as an official BUSINESS SPONSOR!

Our Goal for 2023? **To raise funds for an outdoor sensory classroom.** This classroom will be a safe fenced in space with turf. This will expand unique learning opportunities to all of our Union students.

To bring this vision to life, we are seeking your support in raising funds for the outdoor sensory classroom. Your contribution will directly impact the educational journey of countless individuals, ensuring that they have access to a space that nurtures their holistic growth. Your generosity will enable us to not only lay down the foundation of the sensory boards but also invest in the necessary infrastructure to make this outdoor classroom a reality.

Yes! I will be a business sponsor for the Union Elementary Walk A Thon.
