

## Release of Liability, Assumption of Risk, and Indemnity

As a G3 Foundation (“Foundation”) volunteer I acknowledge and recognize that there are risks, both known and unknown, associated with my participation in a G3 Foundation humanitarian trip. The Foundation does not assume any responsibility or liability for the health or dental care of the volunteers, students, or assistants. If any exposure or other injury occurs during the course of the humanitarian trip, neither the Foundation nor the board of directors assumes any duty or responsibility to provide any health care service, including, but not limited to, serologic testing, counseling, or follow-up care.

I hereby expressly agree to assume the risk for any damages that I may suffer due to (1) exposure to blood borne infectious agents such as HIV, HBV, and other microorganisms in the blood, (2) exposure to oral or respiratory secretions, or (3) other injuries occurring during the humanitarian trip. I agree to indemnify the Foundation, the board of directors, and its representatives against and hold the Foundation harmless from any and all losses, claims, demands, damages, assessments, costs and expenses of every kind, nature or description resulting from, arising out of or relating to my health care, status, or condition before, during, or after the humanitarian trip.

I understand while participating in this activity, I may be photographed. I agree to allow my photo, video, or film likeness to be used for any legitimate purpose by the activity holders, producers, sponsors, organizers, and assigns.

I further agree to release and waive all claims and causes of action which I may have as the result of negligence on the part of any other G3 Foundation volunteer. This agreement shall be binding on my heirs, beneficiaries, and assigns.
