# BEAU SHADO ALO DAYO, JD IT

by Devota Swenson

Alo and I headed down to San Marcos, TX to K9 Water World last summer to enjoy swimming in their pool without the distraction of other dogs and people. We heard about the Dock Diving competition and I headed down to take a look.

Alo loves to swim, he loves the water so I was looking for a summer sport for him. I found out that any dog can enter; all that is required is a NADDA number and you can apply at the meet for one.

Alo took to diving like a duck to water: it is a match made in heaven! What a fun group of people we have met. There are tiny dogs, medium size dogs and the large dogs.

It is fun to watch and it a great way to spend the summer months enjoying the water. AKC now recognizes the dock diving titles, we have our Junior Dock and are working on our Senior title.

### IN MEMORIAM--SALLYANN COMSTOCK

*by Susan Hervey*

Texas lost long-time Tervuren breeder-judge Sallyann Comstock of Sanroyale Kennels in March 2015.

Sallyann moved to Dallas about the same time I got my first Terv. She offered much help to me, even though I didn't get my Terv from her. Before the Internet, pedigree information was difficult to obtain. Sallyann had a very deep knowledge of the pedigrees of the early Tervs, and started the Registries, which published the pedigrees. I believe this made Tervs into a breeder's breed.

Sallyann also wrote "Belgians from Start to Finished." She will be remembered for the dogs she bred, but I will also remember her for all the work she did to make Terv information more accessible to all.
