We have been collecting recyclables, cans and bottles brought in \$63,00. Will be a head start for next year. Over \$600.00 was collected from the yard sale, will try to have another one. Alateen day at the inland Empire convention will be the 11<sup>th</sup> and the 12<sup>th</sup>. All day is planned. The Do's and Don't's are different than Alanon. The snacks provided for the Monday night Alateen meeting has been a success ; as many as 12 kids attended. This meeting gives a more positive response to home life. We are making God boxes, 8x10 canvas slogan pictures, and slogan bracelets for fund raising. We appreciate the snack donations. Need more sponsors; might have an intro to being an Alateen sponsor at the convention. Alateen daily readers and newcomers packets have been purchased for

Alateen. Suggest to include Alateen literature at Alanon meetings.
