Saturday September 30th is the Health and community resource fair from 9to 12 at the civic center. Will need to purchase more outreach literature. \$200.00 is budgeted for outreach literature. Let Kathleen know about any health fairs.

Still need group donations for Alateen rent money. Alathon is coming up, will have to put out a flyer looking for a Alathon liason – will put out an e-mail blast. If no one steps up, then we will just have to take meeting donations like last year.

Service manual discussion- will expire end of 2017.It will be available for download or purchase at that time. The price is only \$6.00.

Alateen Liason- Jan

The Alateen event was a success. 150 Alateen members attended, 20 or more AMIAS present. It was well organized, well staffed. The speaker was on topic; there were breakout rooms, discussions about issues and solutions.

There is a change in AMIAS coverage now. Sandi is leaving, Dan is going to Alaska, and Trina is taking a Monday night course. Will need interested AMIAS volunteers. Can sign up on line. They will send the paperwork to complete the background check. Will also need Subs and drivers. Have to be in Alanon for 2 years and attend at least one meeting a week. Also need help in Oak Grove. Jan will send out a flyer to recruit. Have to be over 25. The Alateen meetings are for 12 and over. No preteen meeting at this time. Really have to talk about toning down cuss words, and talk

about sex and drugs; learning how to talk generic. Food may bring more attendance to these meetings. More than \$60.00 in sales from the yard sale and e-bay, close to \$1000.00 collected year to date. Keep those recyclables coming. Working on coordinating an Alateen meeting at the same time and close to the Serenity circle 7:30 pm Wednesday night. Trying to get more parents to support the kids. Maybe bring goodies the 5th meeting day of the month.
