

COMMUNICATION WITHOUT COMPROMISE

Save your Nickels, the rainy day is Here!

Have you considered maximizing your budget with cloud computing solutions? What is it about cloud computing that is so desirable?

It seems as if you cannot go one day without hearing about cloud computing, so what is the hype all about, and how do you know if it is good for your business? Whether you are a small startup or a massive corporate operation, cloud computing can save you some serious cash.

Guess speakers Chris Zetazate channel system engineer and Kareem Tucker channel account manager from Fortinet, will be discussing how to secure your transition to the cloud

TA NETWORKS is excited to announce that we are inviting you to the Cloud Webinar on Wednesday November 18 @11:00am.

- **How moving to the cloud, can reduce your total telecom spend.**
- **Capital expenses vs Operation expenses**
- **Corporate responsibility, during a Pandemic response**
- **Benefits and Strengths of TA Networks Canadian Cloud offering**
- **Question and Answer period**

This event will be hosted by **Chris Reid, Director of Sales and Marketing** and **Jean-Jerome Baudry, Director ICT Consulting and Secure Cloud Services, TA Networks** on the AVAYA SPACES Platform. To confirm your participation please click on the voting button on the top of the e-mail, if yes we will send you out a calendar invite, with the link on it.

All webinar attendees will receive a \$25.00/gift card, for Starbucks!

All attendees will also receive a 10% discount on the purchase of any new solution!

Thank you and we look forward to you joining us at this event!
