

Professional Objective: Seeking a position with a health care provider whose goal is to deliver therapies that treat the mind-body connection and will promote a healthier and more energetic way of life.

Professional Experiences:

May 2000-Present *Board Certified **Holistic Nurse*** in Private Practice

Nationally certified in Asian Bodywork Therapy since 2000, with concentrations in Shiatsu, Acupressure and Reiki. As a Reiki Master, I am an approved provider for continuing education activity for contact hours by the American Holistic Nurses Association. A Yoga and Meditation Instructor since 2003 working with the senior population at The Evergreens in Moorestown, NJ, cancer patients at Cooper University Hospital in Camden and Voorhees, and with patients at South Jersey Fertility Center in Marlton, NJ. As a Certified Comprehensive Yoga Therapist, I empower individuals and provide wellness classes in the private and corporate sector.

February 1992-2014 BAYADA NURSES, Mt. Laurel, NJ
Staff Nurse

Assisting the parents of chronically ill infants and young children to help in making a smooth transition from the hospital to the home environment.

October 2000-2002 SHPS-Cost Management System, Dallas, Texas
DRG Nurse Auditor

Nurse Auditor validating billing based on ICD-9 codes by clinically reviewing the medical record and then using specialized DRG. The RN Auditor ensures that the principal diagnosis is correct, inpatient claims are paid at appropriate DRG rates, DRGs have been properly assigned and ICD-9 codes reflect clinical findings in hospital records.

February 1993-1998 KEN-CREST HOME HEALTH AGENCY, Philadelphia, PA
Staff Nurse

Assessed and provided supportive care to technologically dependent infants and young children in a nurturing, transitional home care program.

June 1975-1988 HAHNEMANN UNIVERSITY HOSPITAL, Philadelphia, PA
Staff Nurse

Delivered care to critically ill infants. This included identification and care of high-risk newborns, documentation of progress, facilitated parent-infant relationships, and discharge planning.
