12	DT	Texas	Byron Murphy II	Dallas Cowboys	Crashing the party Jerry adds another monster to his defense swapping pick 24 for 12, plus 4th round pick & a 1st in 2025. Sean Payton makes GM pay added premium to get another weapon on Zimmer's defense.
13	QB	Washington	Michael Penix Jr.	Las Vegas Raiders	Franchise unpredictability continues to shock the draft community adding another QB into the mix. The Autumn winds are still swirling with the legacy as Al Davis' ghost strikes again.

15	WR	Louisiana State	Brian Thomas Jr.	Indianapolis Colts	The electricity begins rocking with the 2nd part of the dynamic duo.
16	OT	Washington	Troy Fautanu	Seattle Seahawks	Retooling the OL begins to take shape as they avoid temptation by passing on defensive weapons.
