Nubians - Wikipedia

Nubians (/ˈnuːbiənz, ˈnjuː-/) are an ethno-linguistic group of people who are indigenous to the region which is now present-day Northern Sudan and southern Egypt. They originate from the early Sub Saharan African inhabitants of the central Nile valley, believed to be one of the earliest cradles of civilization.

OUR NAME WAS INSPIRED BY THE PEOPLE OF NUBIA THAT RESIDED NEAR THE NILE RIVER CITIES. LIKE THEM WE SPECIALIZE IN CULTIVATING THE KNOWLEDGE AND SKILLS OF OUR MEMBERS. WE ARE MOSTLY OF THE BLACK & BROWN COMMUNITIES; WE WELCOME PEOPLE FROM ALL WALKS OF LIFE.

NUBIA

Nubian archery

Nubian hunters and warriors excelled as **archers**, and their weapon became a symbol for **Nubia**. “Land of the Bow” is the meaning of Ta-Seti, an ancient Egyptian term used to denote **Nubia** for thousands of years in antiquity. ... **Nubian archers** also served as warriors in the imperial army of Persia in the first millennium BC.

The History of Ancient Nubia

Home / The History of Ancient Nubia

Nubia was home to some of Africa’s earliest kingdoms.

Known for rich deposits of gold, Nubia was also the gateway through which luxury products like incense, ivory, and ebony traveled from their source in sub-Saharan Africa to the civilizations of Egypt and the Mediterranean.

Archers of exceptional skill provided the military strength for Nubian rulers. Kings of Nubia ultimately conquered and ruled Egypt for about a century.

Monuments still stand—in modern Egypt and Sudan—at the sites where Nubian rulers built cities, temples, and royal pyramids.
