

Service Professional / Support (Server / Support)

Mono Inn | Mono Lake, California

The Role

Service Professionals play a central role in guiding the guest experience throughout the evening, delivering thoughtful, attentive, and seamless service in a tasting menu environment.

This role blends technical service execution with genuine hospitality, working closely with the Service Lead, Beverage Director, and kitchen team to ensure a cohesive and memorable dining experience.

Service Professionals are responsible for understanding the full progression of the menu, anticipating guest needs, and contributing to a calm, focused, and highly coordinated dining room.

Team members participate in ongoing wine tastings, service education, and professional development.

Responsibilities

- Guide guests through the tasting menu experience with confidence and warmth
- Maintain a deep understanding of menu composition, pacing, and service flow
- Execute service with precision, attention to detail, and consistency
- Communicate clearly with the kitchen and front of house team to support timing and coordination
- Assist with beverage service, including wine and pairing support as needed
- Anticipate guest needs and provide thoughtful, unobtrusive service
- Maintain cleanliness, organization, and readiness of the dining room
- Support team members to ensure a seamless and collaborative service environment
- Contribute to a culture of refinement, consistency, and continuous improvement

Ideal Candidate

- 1 to 4 years experience in fine dining or hospitality environments preferred (not required)
- Strong interest in tasting menu service and hospitality as a craft
- Excellent communication and organizational skills
- Ability to remain composed and attentive in a fast-paced, service-driven environment
- A natural sense of warmth, presence, and professionalism with guests
- Interest in wine and beverage knowledge
- A collaborative mindset and willingness to support the team
- We are especially interested in candidates who approach hospitality with curiosity, discipline, and a desire to continuously improve.

What We Offer

- Competitive hourly compensation plus tips depending on experience (Starting \$25 hr)
- Staff meals during service
- Advanced wine and hospitality education
- Opportunities for growth within the restaurant
- 4–5 service work week
- Housing available for qualified candidates
- The chance to work in one of California's most extraordinary landscapes

Life in the Eastern Sierra

Mono Inn sits at the gateway to the Eastern Sierra wilderness, minutes from Yosemite National Park and the mountain town of Mammoth Lakes. Many of our team members are drawn to the area because they value both a serious hospitality career and a life connected to nature and adventure. Days off might include skiing Mammoth Mountain, hiking alpine lakes, climbing granite peaks, exploring the high desert, soaking in natural hot springs, or an out-of-area adventure.
