About Global Skills Hub United Kingdom

MESSAGE FROM THE DIRECTOR

Greetings,
I'm immensely proud of what we've achieved together—from our three landmark Africa Education Summits in Kigali, Nottingham, and Victoria Falls to our inaugural Africa Health Summit in Accra—where passion and partnership have driven meaningful, lasting impact. As we move into the next quarter, we'll broaden access to our digital learning platform to reach even more remote learners and return to Nairobi this July for a solutions-focused dialogue on mental health and wellbeing. Thank you for your dedication and insight; I'm excited to see how, together, we will continue to shape Africa's future.

Warm regards
Honey Olawale
Executive Director, Global Skills Hub

🎓 SUCCESS STORY: A GROWING LEGACY OF IMPACT

The 3rd Africa Education Summit in Victoria Falls stands as a testament to Global Skills Hub's growing influence across the continent and beyond. The summit drew distinguished delegates and stakeholders from across Africa, Europe, and the United States—capped by a dinner meeting where feedback from delegates and stakeholders was overwhelmingly positive. At this dinner meeting, participants shared how inspired they felt, with many first-time attendees already looking forward to the 2026 summit and actively spreading the word.

This level of response mirrors what we consistently hear across our events and training programmes. For Global Skills Hub, such feedback is both a mark of success and a motivation to keep evolving—building on each achievement to deliver even greater impact.
