WHO WE ARE:

For those of you who are new this year, please allow us to introduce ourselves! We are Melissa (Mel) Little and Alicia Harrison - Co - Founders of Amazing Events. Last summer we planned the very first Pawz in the Park (PITP) outdoor festival at Airdrie's Nose Creek Regional Park. The inaugural event was an incredible success, and we are thrilled to announce that the 2nd Annual Pawz in the Park festival will take place in the same beautiful setting on Saturday July 20, 2024

While we learned SO much from planning the first PITP, our dream for this event remains the same - to create an event experience that our vendors, sponsors, and all stakeholders can be proud of. Pawz in the Park strives to be an event that people want to come back to year after year creating a community of animal enthusiasts, local artisans, animal welfare warriors and industry experts that will grow together!

Our commitment to our vendors continues to reflect the highest level of transparency and integrity every step of the way, you can be confident in how and where your vendor fees are being spent.

FUN FACT: WE'VE **DECREASED** OUR VENDOR FEE THIS YEAR!

OUR GOALS & VISION FOR THE EVENT:

- Highlighting and providing exposure for small, local business owners and artisans.
- Promoting education and awareness around pet ownership/guardianship.
- Promoting education and awareness of local animal rescues and not for profit organizations.
- Fundraising for local animal rescues and not for profit organizations
