### Information

Activities for the U4 age group will typically last 40-45 minutes, depending on the interest and attention of these young children. The first 1/3 to 1/2 of time will be spent on warming up and doing some fun drills, after which game-like activities will commence. The coach(es) will attempt to evenly split the children up each weekend for the game portion of the morning. Teams will play 4 v 4. The coach or at least one or two volunteer parents should be on the field to help referee and assist the children with placing the ball for kickoffs, goal kicks, and corner kicks.

Since no referees are involved in games at these age levels, please feel free to work with the other team's coach to determine if you wish to have a greater number of shorter periods. We have just provided suggested period lengths. Please do your best to ensure all children receive equal playing time.

Games will be played on Upper Walker, which is located between the playground and the softball/baseball fields in Walker Johnston Park, and will be marked with a 4U yard sign.

Parents/fans are to sit on the opposite side of the field from the team's bench. A coach from at least one team, if not both, should be on the field to help referee and assist the children with placing the ball for kickoffs, goal kicks, and corner kicks.

Have a great season!
