### Information

Games will be played on Upper Walker, which is located between the playground and the softball/baseball fields in Walker Johnston Park.

Games are played with between seven (7) to eight (8) players from each team on the field at the same time, to include the goalie, as the coaches determine. Coaches are encouraged to assign a family to bring treats and drinks for each game.

There is no intentional heading of the ball at this age, and goalkeepers are not permitted to punt the ball when they pick it up. Game rules for offsides and the build-out line have been provided to the coaches.

Have a great season!
