

The Swampscott Center for The Performing Arts is dedicated to enriching the cultural, educational, and social fabric of our community through the power of the performing arts, hospitality, and public engagement. Our mission is to create an inclusive gathering place where live theater, music, comedy, dining, and special events inspire creativity, connection, and community pride.

As we pursue our nonprofit status, we are committed to supporting local charitable organizations, partnering with community groups, promoting arts education, and providing meaningful outreach programs that benefit residents of all ages and backgrounds. Through performances, workshops, cultural programming, private events, and collaborative initiatives, we strive to make the arts accessible while contributing to the economic and cultural vitality of the North Shore.

By blending entertainment, education, philanthropy, and community engagement under one roof, the Swampscott Center for The Performing Arts seeks to become a lasting institution where culture, compassion, and community come together for generations to come.
