### **Executive Summary**

With more than 15 years of experience in Orthopedics, I have developed a vast knowledge and experience in pathological conditions of the Orthopedics. I started my journey in Orthopedics in tiny state of Ivanovo, Russia in 2000 where I was exposed to a large volume of cases including very rare medical conditions and some exceptional trauma cases.

- In 2002 I had a fellowship in joint replacement at Ivanovo State Medical Academy.
- I had a short-term fellowship of month in Yaroslavl Medical University, Yaroslavl, Russia, in 2002 where I attended the hand and reconstructive department led by Dr Pshenishtov at the time
- I started my career in India in 2005 at Medwin hospitals Hyderabad after completion of one year rotatory Internship at the same hospital, stayed there for one year in this period I was part of team operating spinal fusions, Total hip and knee replacements.
- I joined DNB Orthopedics at Durgabai Deshmukh Hospitals Hyderabad in 2006 Dr D Ramu is the HOD of the department
- 2009 to 2017 October date working as an freelance orthopaedics surgeon at woodlands hospitals and various other hospitals in the Hyderabad City
- 2016 October to 2017 October worked at Apollo health city as part time Teleconsultant in Orthopaedics
- 2017 November to 2023 MAY worked at **Sunshine Hospitals, Gachibowli** branch Hyderabad as consultant Orthopaedic surgeon in the Department of Arthroplasty and Traumatology.
- **2021 December successfully completed Robotic ARM assisted Joint Replacement MAKO PLASTY STRYKER**
- **2023 May – Aug Care Hospitals Malakpet, Hyderabad.**
