

2018 WOMEN'S A, B, C & MASTER'S PROVINCIAL CHAMPIONSHIPS

Hello everyone. The experiences that one has throughout their life often out number the successes that they achieve. That is why each year, teams continue to endure and strive for that elusive prize in their respective division of play at the Ontario Ball Hockey Association Provincial Championships in August. The champions are handsomely rewarded with a championship team trophy and individual customized medals that have become synonymous with OBHA supremacy in each division of play.

Today, we want to begin the process of making the Women's Provincials the biggest and best tournament for our members and have attached a poster and sign in sheets that each league should have each night that the league offers games in order to recruit teams and individuals wanting to participate at the Provincials as the OBHA will be sending out PROVINCIAL CHAMPIONSHIP registration information in early June.

Below is information to participate at the Women's Provincial Championships:

-All leagues of 8 teams or less per division are permitted to enter a compiled team of players in that division in the Provincial B & C Championships.

-Leagues with divisions of more than 8 teams must enter their league team are entitled to pick-up 4 players plus a goalie.

-Leagues offering individual registration may qualify 'all star' teams at the 'A', 'B', 'C' or Master's division of play.

All leagues entering a team in the Master's Provincial Championship are permitted to enter 'all star' teams from players registered in their league. Two leagues of 8 teams or less can combine to enter one Masters team.

NOTE:

As per Women's Regulations the minimum number seeds granted to each league is based on the number of teams registered in the specific league:

Under 6 teams – 1 team

7 – 12 teams – 2 teams

13 teams or more – 3 teams

All teams participating must pay a \$300.00 fee based on the number of seeds granted as per the above stated formula. Any additional seeds will be \$400.00 per team paid by the league to the OBHA. Leagues using individual registration may send all star teams to the Provincials at the designated level.

For all rules pertaining to Provincials, please review Section #19 in the Women's team handbook.

Thank you in advance for your cooperation
