TEAM 3044: OxBE4 SUPPORT BALLSTON SPA HIGH SCHOOL ROBOTICS

www.firstinspires.org

TEAM 3044 (OxBE4) is asking for your organization's support to help us participate in the 2025 **FIRST** Robotics Competition. Through this program, high-school-age teams participate in an exciting, multinational competition where young people work with mentors to solve an engineering design problem in an intense and competitive way.

FIRST – *Foundation for the Inspiration and Recognition of Science Technology*

VISION: To transform our culture by creating a world where science and technology are celebrated and where young people dream of becoming science and technology leaders. The mission of FIRST is to provide life-changing robotics programs that give young people the skills, confidence, and resilience to build a better world.

SPONSORSHIP OPPORTUNITIES: Financial support, donating equipment/parts, mentor, volunteer, consult, and providing internships.

BENEFITS to Your Organization: Strengthens reputation and community relationships, builds technology relationships, pipeline for future employees, motivating volunteer opportunities for employees, applied professional development for employees, national/local media coverage and advertising.

JOIN OUR SPONSORS/SUPPORT TEAM include **BALLSTON SPA NATIONAL BANK**, **GLOBALFOUNDRIES/Town of Malta** Community Foundation, Knauf Insulation North America, and Stewart's Shop Holiday Match
