

# Opening To Grace

## *Creating Sacred Space*

September 23 - 28, 2024

Fenton Memorial Deaconess Home,  
Chautauqua, NY

A special time to center into a quiet, contemplative week this fall in beautiful Chautauqua, NY. Monday - Wednesday we will gather for morning and evening yoga, prayer and creative arts. The rest of the day is yours to do as you wish keeping silence in the house. There are beautiful walking paths and a labyrinth for contemplative practice in nature.

Opening to Grace healing work will begin on Thursday afternoon and end Saturday at noon. Come to refresh your spirit in the presence of the surrounding natural beauty. Explore the unique ways in which God is working in you for your healing and integration of mind, body, and spirit. Participants may register for the 3 days of Opening to Grace portion only if space allows.

This retreat is open to all.
