Congratulations on completing *Data Science as a Field*! I encourage you to continue your journey with *Ethical Issues in Data Science* and the other courses that are part of CU Boulder's Master's of Science in Data Science program.

Finding Your Grade Grades are typically posted about 1 week after [the last day of classes for the term](#). To find your grades:

- Log into [Buff Portal](#)
- In the Grades & GPA tile, click *Class Grades*
- Click on the relevant term to see grades
- Click on the class name for more info

Ordering Transcripts Follow the instructions on the [Transcripts](#) page. For official transcripts, click the *Students with an IdentiKey* button to get started. Remember to log into [Buff Portal](#) and check for holds first. Your transcript will not be released if you have financial obligations with CU.

Degree Program Admissions Newly eligible students are typically admitted to the degree about 1 week after grades post. Check your inbox for an email confirmation. See [Admissions](#) for requirements, including:

- Indicating your degree interest when submitting the [enrollment form](#)
- Passing a pathway specialization with a 3.0 average GPA or better

Reminder: Enroll for your next class! See the [Calendar](#) for enrollment and class dates.
