| Grade                | 9          |
| School Name          |            |
| City Of Residence    | Dhaka      |
| Country Of Residence | Bangladesh |

|                  |                    |
|------------------|--------------------|
| Registration No. | 54789789137798     |
| Gender           |                    |
| Date of Birth    | 2007-06-17         |
| Date Of Test     | December 3-4, 2022 |

### Score Card

| Question No. | Attempt Status | Maher's Choice | Correct Answer | Outcome   | Score if correct | Maher's Score |
|--------------|----------------|----------------|----------------|-----------|------------------|---------------|
| Q1           | Attempted      | B              | C              | Incorrect | 2                | 0             |
| Q2           | Attempted      | C              | C              | Correct   | 2                | 2             |
| Q3           | Attempted      | B              | B              | Correct   | 2                | 2             |
| Q4           | Attempted      | B              | B              | Correct   | 2                | 2             |
| Q5           | Attempted      | C              | D              | Incorrect | 2                | 0             |
| Q6           | Attempted      | C              | C              | Correct   | 2                | 2             |
| Q7           | Attempted      | A              | D              | Incorrect | 2                | 0             |
| Q8           | Attempted      | A              | A              | Correct   | 2                | 2             |
| Q9           | Attempted      | D              | A              | Incorrect | 2                | 0             |
| Q10          | Attempted      | D              | D              | Correct   | 2                | 2             |
| Q11          | Attempted      | A              | B              | Incorrect | 2                | 0             |
| Q12          | Attempted      | C              | D              | Incorrect | 2                | 0             |
| Q13          | Attempted      | A              | D              | Incorrect | 3                | 0             |
| Q14          | Attempted      | B              | B              | Correct   | 3                | 3             |
| Q15          | Attempted      | A              | B              | Incorrect | 3                | 0             |
| Q16          | Attempted      | A              | C              | Incorrect | 3                | 0             |
| Q17          | Attempted      | D              | A              | Incorrect | 3                | 0             |
| Q18          | Attempted      | C              | D              | Incorrect | 3                | 0             |
| Q19          | Attempted      | B              | B              | Correct   | 3                | 3             |
| Q20          | Attempted      | B              | D              | Incorrect | 3                | 0             |
| Q21          | Attempted      | A              | C              | Incorrect | 3                | 0             |
| Q22          | Attempted      | B              | D              | Incorrect | 3                | 0             |
| Q23          | Attempted      | B              | A              | Incorrect | 3                | 0             |
| Q24          | Attempted      | B              | C              | Incorrect | 3                | 0             |
| Q25          | Attempted      | D              | D              | Correct   | 3                | 3             |
| Q26          | Attempted      | D              | D              | Correct   | 3                | 3             |
| Q27          | Attempted      | B              | D              | Incorrect | 3                | 0             |
| Q28          | Attempted      | A              | C              | Incorrect | 3                | 0             |
| Q29          | Attempted      | B              | D              | Incorrect | 3                | 0             |
| Q30          | Attempted      | B              | D              | Incorrect | 5                | 0             |
| Q31          | Attempted      | A              | D              | Incorrect | 5                | 0             |
| Q32          | Attempted      | A              | C              | Incorrect | 5                | 0             |
| Q33          | Attempted      | C              | A              | Incorrect | 5                | 0             |
| Q34          | Attempted      | A              | A              | Correct   | 5                | 5             |

**Total Score: 29**

**Maher Ali Rusho has scored 55.91%ile in the International Maths Olympiad Challenge. Congratulations! .**
