

Your only source for Factory Authorized Reconditioned Parks Flo-Labs

Purchasing your Flo-Lab from your Parks Medical Electronics authorized distributor is the only way to ensure you will be receiving a certified used unit and full factory support. This includes:

- Parks On-Site Training
- Parks technical support, free of charge
- Latest software upgrades, free of charge
- Discounted Service and Preventive Maintenance
- Discounts on repairs and needed parts
- Discounted probes and accessory items

Customers who purchase from third-party resellers are not eligible for any of these free services or significant discounts. These are reserved only for customers who purchase through their Authorized Parks Representative.

Authorized Parks Representatives:

U.S Instruments Inc.
Vascular Technologies Inc.
Glaysher Medical Technologies, Inc.
Midway Vascular, Inc.
ProVascular Services, Inc.
RLD Medical Electronics, Inc.

If you have any questions about Parks' policies or for Flo-Lab pricing and current availability, please call 888-503-1177.

We look forward to serving your vascular equipment needs now and in the future.

Thank you.
