Weakenders RV Club Newsletter

Volume 19, Number 8 - October 2026

Date & Place Saturday, 10/17 - Bonelli Bluffs

Call to Order: 10:04 **by Karen**

Flag Salute: All

Thank you Dean & Dauune, Patty & Frank & Bridget & Jim for all their participation in this wonderful event! And for a beautiful weekend. The weather was a bit toasty on Thursday , very windy but tolerable on Friday. Saturday the weather was fantastic! Absolutely gorgeous! Yummy food as always. A few very creative people with their Halloween themed food. A few of us dressed up on Saturday. Saturday morning before our meeting we did a little candlelighting and tribute to Kathy Miller! This would have been her camp out. She will truly be missed. A reminder that her memorial service is next Saturday, October 24 at 11 AM at the Odyssey. If you have not RSVPed, please contact Patty so she can let Kathy's sister know that you are coming.

Absent Members: Bill & Pam, Ken & Rocky, Ken & Becky

Secretary Report: Please Read:If you have a tow vehicle please give me that information. Please check the roster for any changes or additions in all your information.
We worked on the calendar for 2027campouts. Please sign up to wagon master, for any of the available months. If this is going to be your first time, plenty of us are here to help, including myself! See attached 2027 campouts.

Please be sure to pay the Wagon Masters as soon as you can to hold your spot and to help with the deposit they had to make.
It's that time again… elections…
Pam's running for President
Still Need someone please, for the Secretary position!!!!
Bridget is running for sunshine.
Laura is running for treasurer.
Patty is RETIRING from coffee barista. She has done this for five years now! If anyone would like to volunteer to take this over, that would be fantastic. Otherwise, starting next month, you will be bringing your own coffee and whatever else you wish to drink.
Elections will take place at the November campout. I spoke with Jan Oliver. She has bought a mobile home in Sacramento. She said it's a little over 1300 square feet. It's double wide and has beautiful views from every window. She listed her house October 1 and in three days it was sold. They wanted a quick escrow. She has moved this weekend. Her new address is: 8010 Eucalyptus Ln., citrus Heights, CA 95610. She does not wish to go affiliate. She sends her best to all and thanks us for welcoming her and getting her out of her shell.

Treasurer's Report: Balance was $603.65 plus the $116 Kathy had paid for December equals $719.65 added to that the hundred dollar deposit Kathy had put for October's camp out will be given to our treasurer. We will be talking to Kathy's sister to see if we could donate some of that money to help pay for the flowers.

Sunshine Report: Birthdays: Bill 10/15, Dave 10/17
Anniversary: Bridget and Jim 10/12

Old Business:

New Business: Doug passed out his order forms for T-shirts, sweatshirts, and other Weakenders merchandise. See him for your orders.
Dean checked into River Park RV in Lompoc. It has 31 sites along the Santa Ynez River. It is a county park, full hook ups. Everyone there said they would like to check it out.
Ron has checked out The Californian, Solidad. He passed out information from the Californian. We will be checking it out to see how they do groups. Our old group went there all the time for our Christmas party. It was awesome. I will be checking to see if they are the same.
Another RV site called Silver land RV in North Hills at 9849 Lamona Ave. is another one we are checking into.
~~*** Bill still has two open spots for Lake Casitas next month. Call him ASAP to make sure they are still available if you are interested.~~

We discussed trying to have someone make us more of our Weakenders wooden signs or possibly a flag. I had found a gentleman who said he could do our wooden signs for around $45-$50. A few other woodworking gentlemen also stated it would be $50-$75. I showed the flag that I have from our other group. It's a vinyl material and very nice. The girl that does those her shop is in Simi Valley and she said they would be $35 a flag, for those that didn't see them. It would say, Weakenders RV club, we could put your website on there. It has a graphic that we can design and the campers name. The majority of people would rather do the flag as it is much easier to store and display. We will talk more about it in November. We covered a lot of information at this meeting. But I believe we got it all organized.

Meeting Adjourned Time:11:07 By: Jim Second: Dave
