A question was asked; "How many people have dogs?" Everyone raised their hands. Then they were asked, "How many have a poop bag on them?" Everyone pulled out one or more poop bags from their pockets or on their lease! It is very important to pick up after your dogs. As a group, we will not be allowed back to that RV Park again. This is also why many parks charge a pet fee. Please be

mindful of this, as you will be given two warnings, then you'll be asked to not bring your dogs!
