We will talk more about this next month, Elections will take place at the November campout. I spoke with Jan Oliver. She has bought a mobile home in Sacramento. She said it's a little over 1300 square feet. It's double wide and has beautiful views from every window. Her tenant will be moving out at the end of the month. Then she will list her home here in Simi. She does not wish to go affiliate. She sends her best to all and thanks us for welcoming her and getting her out of her shell.

New Business: Bill passed out information from Highway Patrol. Information to know about if you're involved in an accident, as Bill and Pam were on their way home from Bonelli, in June.

Bill has new business cards. See him if you would like them to pass out to prospective members.

We are looking in someone to make us more Weakenders signs, or flags, or any other things to show we are a group. Dean is checking into River Park RV in Lompoc. Ron has checked out The Californian, Solidad. He went in and spoke with an employee, and said she would call him back after she got the information we are requesting.

Reminder next month's campout, Bonelli is very BIG on Halloween. So if you would like to decorate, your rig, your pets or your selves, do so! They have contest!!!
