NOW, THEREFORE, in consideration of the premises, the Declarant does hereby publish and declare that all or any portion of the Property is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied, and improved subject to the following covenants, conditions, restrictions, uses, limitations, and obligations (and subject to all easements, conditions, restrictions, etc., as set out in the Plat hereto), all of which are declared and agreed to be in furtherance of a plan for the development and improvement of the Property, and the said covenants, conditions, restrictions, uses, limitations, and obligations shall run with the land and shall be a burden and a benefit to the Declarant, their successors and assigns, and any person or legal entity acquiring or owning any interest in any portion of the said Property or any improvements thereon, their grantees, successors, heirs, executors, administrators, devisees, and assigns. Notwithstanding anything herein contained to the contrary, the Declarant or its successors or assigns, reserves the right for a period of twenty years from the date of the official recording hereof to unilaterally amend the covenants and restrictions contained in this plat and to re-record said plat for any reason. designated agents. If the plans and/or construction activity are not approved, the lot and the improvements thereon shall be immediately returned to their respective conditions prior to commencement of such work or construction.

Neither the Declarant, the Architectural Committee nor the Association shall be required to pursue enforcement of any alleged violation by an owner of a lot of a use restriction set forth herein. Any failure to so pursue by the Declarant, the Architectural Committee or the Association shall not serve as a waiver of such violation, and the Declarant, the Architectural Committee or the Association shall have the right to enforce any use restriction herein which is violated by an owner of a lot, regardless of any prior election to not pursue enforcement thereof.

ARTICLE VI – COVENANT FOR MAINTENANCE ASSESSMENTS

6.01. All Owners, by acceptance of a deed thereof, whether or not it shall be so expressed in any such deed or other conveyance, are deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments to be fixed, established and collected from time to time as provided herein. The assessments, together with interest, costs, and costs of collection (including reasonable attorney's fees), shall be a charge on the land and shall be a continuing lien upon the property against which such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessment shall not pass to the successors in title of that Owner unless assumed expressly by them. The annual assessments and special assessments shall commence and accrue as of the conveyance of a Lot to a Member.

6.02. Annual assessments, shall be equal to the Member's proportionate share of the sum required by the Association, as estimated by its Board of Directors and/or its managing agent, to meet its annual expenses, including, but in no way limited to, the following:

- (a) The cost of all operating expenses of the Association and services furnished, including charges by the Association for its facilities, if any; and
- (b) The amount of all taxes and assessments levied against the Association or upon any property which it may own or which it is otherwise required to pay, if any; and
- (c) The cost of extended liability insurance and the cost of such other insurance as the Association may effect; and
- (d) The cost of funding all reserves established by the Association, including, when appropriate, a general operating reserve and/or reserve for replacements; and
- (e) The estimated cost of repairs, maintenance, and replacement of the common elements and improvements, including, without limitation, swimming pool, perimeter fences, irrigation system, wood and masonry walls, lighting, landscaping, entry way treatment, entry gate, playground equipment, and such other improvements which may be placed upon Common Areas and upon common easement areas.
- (f) The maintenance and utility cost of street lighting shall be the responsibility of the Association. The entry lights shall be separately metered.
- (g) The maintenance and utility cost of the pool, structure, and associated equipment shall be the responsibility of the Association. The pool equipment and lighting shall be separately metered.
- (h) The maintenance and utility cost of irrigation systems shall be the responsibility of the Association, and the irrigation system shall be separately metered.
- (i) The cost of trash service.

Except as provided in Paragraph 10 of this Article VI, the Board of Directors of the Association and/or the Managing Agent shall determine the amount of the annual assessment against each Lot at least thirty (30) days in advance of each annual assessment period but may do so at more frequent intervals should circumstances so require as provided in the By-Laws. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. The Association shall, upon demand and for a reasonable charge, furnish a letter signed by an officer of the Association or the Managing Agent setting forth whether the assessment on a specified Lot has been paid.

6.03 In addition to the annual assessments authorized by this Article, the Association may levy in any assessment year a special assessment or assessments, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction or reconstruction, unexpected repair or

replacement of a described capital improvement for which the Association is specifically responsible or for such other purposes as the Board of Directors may consider necessary.

6.04. In the event of any emergency, condition or occurrence affecting the life, health, safety or welfare of Members or Property of Members, the Board of Directors, acting pursuant to this paragraph, may declare an emergency assessment in such amount and payable at such time as the Board of Directors, in its sole discretion, shall deem necessary. Such emergency assessment, except for the amount and time of payment, shall be governed by all other provisions of this Declaration. Such assessment shall be borne pro rata by all Members of the Association. The Board of Directors shall be fully protected and not liable for any mistake in judgment hereunder if the emergency assessment was made in good faith.

6.05. Written notice of any meeting held for the purpose of taking the actions authorized under Article 6 shall be sent to all Members not less than thirty (30) days nor more than sixty days (60) in advance of the meeting. Such notice may be delivered through traditional or electronic mail.

6.06. Both annual and special assessments must be fixed at the same rate for all Lots, and will be collected on an annual basis.

6.07. The Board of Directors, may assess an Owner for the cost of cleaning up his property if necessary, removing or correcting a nuisance caused by the Owner, or for the cost of enforcing the rules and restrictions, including but not limited to a suspension of the use of recreational facilities and Common Area.

6.08. Any assessments that are not paid within 30 days after the due date shall be delinquent.

(a) If the assessment is not paid within such 30-day period, an administrative fee of \$100.00 shall be assessed to Owner, and the assessment shall bear interest from the due date at the rate of the lesser of (i) the maximum rate of interest allowable under applicable law or (ii) 18% per annum. To evidence the lien of any unpaid and delinquent assessments, the Association shall prepare a written notice setting out the amount of the unpaid obligation, the name of the Owner of the Lot and a description of the Lot. The notice may be executed by any member of the Board of Directors of the Association and/or the managing agent and shall be recorded in the Murray County Clerk's office. This notice may also be distributed to Members of the Association. The personal obligation of any Owner to pay such assessment shall, however, remain his personal obligation for the statutory period, and a suit to recover a money judgment for non-payment of any assessment levied pursuant to this Declaration, or of any installment thereof, may be maintained without foreclosing or waiving the lien created hereby. Any interest, costs, and reasonable attorney's fees of any such action shall be added to the amount of such assessment. No Owner may waive or otherwise escape liability for the assessments provided herein by nonuse of the Common Area or abandonment of the Owner's Lot.

(b) For the purpose of enforcing the lien granted hereunder for any unpaid or delinquent assessments, each Owner irrevocably grants to the Association and its Board of Directors the power to sell his Lot at public outcry to the highest and best bidder for cash. The Board of Directors is authorized to make such a public sale if and only if such sale is made subordinate to any prior recorded mortgage or deed of trust upon the Lot. The Association is hereby authorized and empowered to enter and take possession of the Lot, and before or after such entry to advertise the sale of the Lot for twenty one (21) days by three weekly notices in some newspaper published in Murray County, Oklahoma, giving the time and place of such sale and by written notice of the time and place of such sale to the Owner of the Lot at his last known address. Any sale shall be free from equity of redemption, statutory right of redemption, homestead, dower, and all other rights and exemptions of every kind, all of which are hereby expressly waived by the Owner. The Association shall thereafter execute a conveyance to the purchaser in fee simple, and deliver possession to the purchaser, which the Owner binds itself shall be given without obstruction, hindrance, or delay. Any sale hereunder shall take precedence over and have priority over any and all other liens of every nature against the Lot, except real estate and ad valorem taxes assessed against the Lot and prior recorded mortgages or deeds of trust. The proceeds of any such sale shall be applied first to the payment of expenses

associated with the sale; of protecting the Lot; and the expenses of litigation including reasonable attorney's fees; and second to the payment of real estate and ad valorem taxes assessed against the Lot and any prior recorded mortgages or deeds of trust (unless sold subject thereto); and third, to the payment of all amounts due the Association under the terms of this Declaration; and the balance, if any, to the Owner whose Lot is sold, his successors and assigns. Upon any default in the payment of an assessment, the Board of Directors shall have the right to all rents, issues, and profits from the Lot in Default and shall have the right to secure the payment through notice to those in possession of the Lot. The Association may notify the holder of the mortgage on any Lot for which any assessment levied pursuant to this Declaration becomes delinquent for a period more than sixty (60) days and in any other case where the Owner of such Lot is in default with respect to the performance of any other obligation hereunder for a period in excess of ninety (90) days.

6.09. The lien of the assessments provided for herein shall automatically be subordinate to the lien of any first mortgage, deed of trust or any lien of deed of trust or mortgage instruments or encumbrances made in good faith and for value received, duly recorded on the Lot prior to the assessment of the lien thereon or duly recorded on the said Lot after receipt of a written statement from the Board of Directors or the Managing Agent reflecting that payment made on such lien was current as of the date of recordation of the said first mortgage, deed of trust, mortgage instrument or encumbrance.

6.10. Sale or transfer of any Lot shall not affect the continuing force and validity of an assessment lien hereunder. The sale or transfer of any Lot which is subject to any mortgage, pursuant to a decree of foreclosure under such mortgage or any conveyance to the holder of such mortgage in lieu of a foreclosure thereof, shall extinguish the lien of such assessments as to any assessments becoming due prior to such sale or conveyance. No other sale or transfer shall relieve a Lot from liability for any assessment thereafter becoming due or from the lien thereof.

6.11. No amendment to Section 6.09 or 6.10 shall affect the rights of the holder of any such mortgage (or the indebtedness secured thereby) recorded prior to recordation of such amendment unless the holder thereof (or the indebtedness secured thereby) shall join in the execution of such amendment.

6.12. Any recorded first mortgage or deed of trust secured by a Lot in the Development may provide that any default by the mortgagor in the payment of any assessment levied pursuant to this Declaration, or any installment thereof, shall likewise be a default in such mortgage (or the indebtedness secured thereby) but failure to include such a provision in any such mortgage shall not affect the validity or priority thereof, and the protection extended to the holder of any such mortgage (or the indebtedness secured thereby) by reason of Section 6.11 shall not be altered, modified or diminished by reason of such failure.

ARTICLE VI I – ARCHITECTURAL CONTROL

7.01. These architectural guidelines are to ensure neighborhood preservation and encourage neighborhood aesthetics. Additionally, the architectural guidelines are designed to preserve, protect, and enhance the property values of homes within the community. The guidelines are to ensure the improvements within the development are generally harmonious, aesthetically consistent, conform to good architectural standards and provide for a residential development with common elements and/or features. The architectural guidelines set forth herein shall apply to each Lot and/or Parcel to ensure the best use and consistent development of each. For the purpose of ensuring the orderly development of Platt Park the Developer hereby establishes an Architectural Review Committee ("ARC") with the power to review and control all improvements within the Development, as well as to make such exceptions to these Covenants, and to waive particular violations, as the ARC shall deem necessary, appropriate or proper. Neither the Declarant, the Architectural Committee, or any agent thereof, shall be responsible in any way for any violations or defects in any plans or specifications submitted, revised, or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications.

7.02. The ARC shall serve until the last lot in the development is built upon. After the last lot has been built on, the Architectural Review will be the responsibility of the Platt Park Homeowner's Association.

7.03 With the exception of improvements made by the Developer, no structure of any kind or nature or any fence or barrier shall be commenced, erected, placed, moved onto, or permitted to remain on any of the Lots within the Property without approval of the ARC. In the event any covenant is violated, the Declarant, the Platt Park Homeowner's Association and/or its designated agents reserve the right to assess against the subject lot and/or owner a fine of \$500.00 per day for each day the violation remains unresolved and not corrected. If the violation is construction related, any such work or construction performed shall cease until the plans and the construction have been approved by the Declarant, the Platt Park Homeowner's Association and/or its designated agents. If the plans and/or construction activity is not approved, the lot and the improvements thereon shall be immediately returned to their respective conditions prior to commencement of such work or construction. Approval to start any type of improvement, new construction, change, addition, or alteration will not be given until a set of plans showing the full nature and impact of the proposed improvement has been submitted as required, appropriately reviewed, and approved by the Architectural Committee or its designated representative. The Architectural Committee utilizes a simple review process that is designed to assure smooth coordination between the Committee and the Owner's professional representative. The committee may ask for two submittals:

a. Schematic and/or Preliminary submittal. (Homeowner's ideas, not highly detailed.)

b. Final submittal. (Final working drawings suitable for a building permit.)

a. Schematic and/or Preliminary Plan Review:

This Schematic and/or Preliminary Plan Review is strongly encouraged but not required. This optional step allows an Owner to submit the design and layout concept to the ARC for preliminary comments and suggestions. The ARC will either make recommendations or authorize the Owner to proceed to the next step.

The following drawings are encouraged at a minimum, as a submission for preliminary review:

1. Site plan.
2. Exterior appearance (perspective, photographs, elevations, etc.).
3. Preliminary floor plan, all levels.

b. Final Submission Requirements

Required final review by the ARC is concerned with working drawing content and aesthetic considerations only. Neither the ARC nor the Developer shall be responsible for engineering design or code compliance matters.

The following drawings are required for final review:

1. Site plan (2 copies with 1 copy to be retained by ARC or Declarant, together with 1 copy in digital form acceptable to the ARC or Declarant) at a minimum of 1" = 20'-0". Drawings to include:

- a. North arrow and scale.
- b. Property lines with dimensions and bearings.
- f. Building accurately located from property lines.
- g. Location, dimension, and materials for walks and driveways.

2. Architectural plans (2 copies with 1 copy to be retained by ARC or Declarant, together with 1 copy in digital form acceptable to the ARC or Declarant) of construction documents and specifications for final review are to be submitted. These drawings

should verify that the final plans and drawings conform to the covenants and restrictions set forth in this Declaration.

- a. Floor plans at minimum $\frac{1}{4}'' = 1' - 0''$ with exterior dimensions and total square footage.
- b. Exterior Elevations at minimum $\frac{1}{4}'' = 1' - 0''$, all exterior elevations

c. Final Submission Procedures

Application format: Each submission must be accompanied by the required information as outlined in the final submission requirements in order to be scheduled for review. Final approval from the ARC shall be dated and in writing. If approval of such plans is neither granted nor denied within thirty (30) days following submission to the ARC, said request shall be deemed approved without further action of the ARC.

d. Liaison and Timing

To speed up the review and approval process, all submittals should be complete. Choosing a professional to draw the proposed design, design changes and/or alterations is very critical to the approval process. Over the years, we have found most approval problems stem from poor design submittals. To avoid such problems, we strongly recommend that all new construction, design changes and/or alterations be prepared by a design professional. It is hopeful that an outright or qualified approval will be given on the first submission. All approvals shall be in writing and signed by an Architectural Committee member or its representative. Until further notice, all submittals should be delivered or mailed to:

e. Future Improvements Review

The covenants and restrictions require all proposed designs be submitted to and approved by the Architectural Committee or its representative. This requirement encompasses all construction, initial designs, later additions or alterations of any home, structure, wall, fence, walks, driveways, or exterior element. Additionally, this includes, but is not limited to, the existing home, fencing, outdoor lighting, service buildings, storage buildings, accessory structures, pools, swings etc. A request for preliminary improvement review with the ARC should be accompanied by the following submissions (including 1 copy in digital form acceptable to the ARC):

1. Site plan of proposed improvements to scale.
2. Letter of intent with description and purpose of the improvements.

f. Architectural Design Guidelines

1. The minimum livable area of any residence, excluding garages, basements, porches, storage rooms, workshops, etc., shall be not less than 2,500 heated square feet.
2. A dwelling shall not have a metal panel exterior.
3. Accessory buildings shall match dwelling in color and style.
4. The Declarant reserves the right to grant exceptions to this restriction under special architectural design using its sole and absolute discretion.

7.04. The ARC may promulgate rules governing the form and content of plans to be submitted for approval or requiring specific improvements on the Lots including, without limitation, the exterior lighting and planting, disapproval of the architectural styles or details or other matters which may be presented for approval. Such rules and such statements of policy may be amended or revoked by the ARC at any time and no inclusion in or omission from or amendment of any such rule or statement shall be deemed to bind the ARC to approve or disapprove any feature or matter subject to approval or to waive the exercise of the ARC's discretion as to any such matter, but no change of policy shall affect the finality of any approval granted prior to such change. Approval for use on any Lot of any plans or specifications shall not be deemed a waiver of the ARC in its discretion to disapprove such plans or specifications or any features or elements included therein if such plans, specifications, features, or elements are subsequently submitted for use on any other lot. Approval of any such plans and specifications relating to any Lot, however, shall be final as to that Lot and such approval may not be revoked or rescinded thereafter provided that the plans and specifications as approved in any condition attached to any such approval have been adhered to and complied with in regard to all structures and uses of the Lot in question.

7.05. If any structure shall be altered, erected, placed or maintained upon any Lot contained therein or any new use commenced on any Lot, otherwise than in accordance with plans and specifications approved by the ARC as required herein, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of the restrictions herein and without the approval required herein and upon written notice from the ARC any such structure, fence or barrier so altered, erected, placed or maintained upon any Lot, in violation hereof shall be removed or re-altered, and such use shall be terminated so as to extinguish such violation.

7.06. If, in fifteen (15) days after the notice of such violation, the Owner of the Lot upon which such violation exists shall not have taken reasonable steps towards the removal or termination of the same, the Association by its officers or directors shall have the right through its agents and employees to enter upon such Lot and to take such steps as may be necessary to extinguish such violation and the costs thereof shall be a binding personal obligation of such owner as well as a lien upon the lot in question upon the recording of such with the Clerk's Office of Murray County, Oklahoma.

7.07. The Association or any Owner of any Lot contained within the Subdivision shall have the right to enforce by any proceeding at law or in equity all conditions, restrictions, covenants, reservations, and easements herein or hereinafter contained or otherwise contained in any deed to any Lot in the Subdivision. Failure by any owner to enforce any of such proceedings shall in no event be deemed a waiver of the right to do so thereafter.

7.10. Non-Liability. Neither the Board of Directors, nor the ARC, nor any employee, owner, architect, consultant or agent thereof shall be responsible or liable in any way regarding any plans or specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications, nor shall the above be liable for or responsible for any exterior or interior plans of structures built or to be built on any lot or the review thereof.

ARTICLE VIII – RESTRICTIVE COVENANTS AS TO USE

Covenants and Restrictions are to ensure neighborhood preservation and encourage neighborhood aesthetics. The general purpose of these covenants and restrictions is to ensure and protect property values within the neighborhood. The covenants and restrictions encourage excellence by providing neighborhood standards and by controlling some of the activities within the neighborhood.

8.00. Owner's right of use of his Lot is subject to all laws, ordinances, rules, and regulations of the applicable municipal and other governmental authorities. In the event of a difference between the use restrictions contained in said ordinances, rules and regulations and laws and the use restrictions set forth in this Article, the more restrictive provision shall apply.

8.01. No Lot shall be used except for residential purposes and no building shall be erected, altered, placed, or permitted to remain on any Lot other than one single family dwelling, unless otherwise provided for herein. No Lot shall be subdivided.

8.02. No mobile home, recreational vehicle, trailer, tent, shack, garage, outbuilding, or barn shall be erected on any Lot without ARC approval. All buildings or structures erected upon the Lot shall be of new construction and constructed to equivalent standards to the residence on said Lot. No buildings of any type, accessory structures or structures of any type shall be moved from other locations onto the Lot.

8.03. No Lot, nor any building erected thereon shall at any time be used for the purpose of any trade, business, manufacturing, marijuana growing or for public amusements, whether for profit or as a "not for profit" enterprise. No noxious or offensive activity shall be carried on upon any Lot nor shall anything be done thereon which may be or become an annoyance or a nuisance to the neighborhood.

8.04. Each Lot shall be conveyed as a separately designed and legally described freehold estate subject to the terms, conditions and provisions of this Declaration and all easements, restrictions and covenants set out in the Plat. No Lot may be further subdivided, and any joint form of ownership of a Lot must be of an undivided interest. Any joint owners shall have the rights of an Owner hereunder and each shall be subject to all restrictions and obligations of the Owner.

8.05. Any temporary dwelling utilized during construction of the permanent dwelling must be approved by ARC for design and use. Any temporary residence will only be approved by Architectural Committee in 6 months terms based on construction advancement.

8.06. The Declarant and/or the Developer reserves unto itself the right to approve additional and separate restrictions at any time which restrictions may differ from Lot to Lot.

8.07. Notwithstanding any contrary provisions contained herein, the Developer shall be permitted to maintain, during the period of development of the Subdivision and sales of the Lots, upon such portion of Property or the unsold Lots as Developer deems, in the sole opinion of Developer, necessary or reasonably required, convenient or incidental to such development or sales including but not limited to, a business office, storage areas, construction yard signs, model units and sales office.

8.08. No horses, livestock, swine of any kind shall be raised, bred, or kept on any of the Lots. Dogs, cats, chicken hens or other household pets may be kept on the Lots provided they are not kept, bred, or maintained for any commercial purpose. Any Owner of a pet determined to be a nuisance to the development can be fined until residence complies with Board of Directors recommendation to resolve the issue.

8.09. No unsightly objects, or nuisances shall not be erected, placed, or permitted to remain on any lot, nor shall any lot be used in any way for any purpose which may endanger the health or unreasonably disturb the Owner of any lot or any residence thereof.

8.10. All garbage and recycling receptacles must be hidden from view from the road or adjacent lots. No Lot shall be used as a dumping ground for rubbish, trash, garbage, or other waste. All such waste shall be kept in sanitary containers. All equipment for the storage or disposal of such materials shall be kept clean and sanitary condition. All rubbish, trash, or garbage shall be regularly removed from the premises and shall not be allowed to accumulate thereon.

8.11. All fences must be approved by the ARC. No privacy fence shall be erected along a road.

8.12. Maintenance and repairs of all sidewalks and driveways is the responsibility of the homeowner.

8.13. Easements for installation and maintenance of utilities and drainage facilities are reserved as shown on the recorded Plat and 10' into each lot along property line parallel to the road. Within these easements, no structure, planting, or other material shall be placed or permitted to remain which may damage or interfere with the installation and maintenance of utilities or which may change the direction of flow of drainage, or which may obstruct or retard the flow of water through drainage channels in the easements.

8.14. All exterior lighting on a lot shall be installed or directed to avoid glare and excessive spillage on adjacent properties or streets. If any exterior light is considered to be objectionable, the owner of the Lot on which the same is located will immediately remove the said light or have it shielded in such a manner that it is no longer objectionable.

8.15. All pools permitted shall be in compliance with all applicable regulations, ordinances, safety codes and requirements. No pool or spa shall be erected on any Lot without ARC approval. During construction a security fence should be constructed around the excavation site. No above ground pools that are visible from the road or adjacent lots will be allowed in Platt Park on the Point.

8.16. Each Lot Owner shall be required to maintain property in such a condition as to minimize off-site damage from erosion, sediment deposits and storm water. This requirement will be in effect from the beginning of site preparation and continue throughout the establishment of permanent vegetative cover. Owner acknowledges and agrees that Declarant is not responsible for any damages which hereafter may be suffered by the Owner as a result of site preparation work carried out by Owner and his/her subcontractors and any Owner agrees to fully indemnify and hold the Declarant and the Association harmless from any such damages sustained in connection therewith.

8.17. It shall be the responsibility of each Owner to prevent the development of any unclean, unsightly, or unkept conditions of buildings or grounds on such Owner's Lot which would tend to decrease the beauty of the specific area or of the Subdivision as a whole. Each Owner shall be responsible for erosion control on his Lot. Trees, shrubs, vines, and plants which die shall be promptly removed from the Lot. If the Owner fails to satisfy these maintenance obligations, the Developer or the Association shall have the right, but not the obligation, to have the Lot cleaned, maintained and trash or other material removed at the Owner's expense. This expense shall become an assessment on the lot.

8.18. The right is given to the Developer or the Association to require the owner of a damaged or destroyed dwelling upon any lot to make repairs or replacements in order to restore the dwelling to its condition prior to the damage or destruction, including the right to require that insurance proceeds paid to the Owner because of said damage or destruction be applied to the repair or replacement.

8.19. No building material of any kind or character shall be placed or stored on any Lot until the Owner is ready to commence improvements. Building materials shall be stored only within the property lines of the Lot involved.

8.20. Specific Construction and Maintenance Requirements. Each of the following shall apply in connection with any construction of improvements upon a Lot:

- a. Each builder is to provide portable toilets for each house during construction, placing such in as limited view as possible.
- b. A trash dumpster is required for each Lot during construction. No trash, garbage, hazardous waste, or other refuse shall be dumped, stored, or accumulated on any Lot. Trash, garbage, or other waste shall not be kept on any Lot except in sanitary containers or garbage compactor units.
- c. Construction material must be kept out of the right-of-way at all times and shall be kept in an organized and compact manner with appropriate measures taken daily to prevent unsightliness during construction.
- d. No dumping of excess concrete or any other materials is permitted within the Development including the lot being improved.
- e. Each builder and Owner is responsible for protecting all Common Area infrastructure adjacent to and within the Lot and may be assessed for any damage caused.
- f. Each builder and Owner agree to provide and maintain adequate erosion control measures as may be required to be in conformance with all state, federal and local laws.

j. Each lot owner shall be responsible for the interior and exterior maintenance of his lot and improvements.

8.21. Noise shall be kept to a minimum, If any noise is deemed a nuisance to the peace of the neighborhood, (Motorcycle, side-by-side, gun fire, fireworks, etc.) the Association has the right to impose a fine to the owner until the violation is resolved.

8.22. Each Owner agrees to abide by the rules which may be from time to time adopted by the Board of Directors of the Association and promulgated to the Owners by it in writing and except as otherwise specifically limited in the Charter or Bylaws, the Board of Directors of the Association is authorized to adopt such rules.

8.23. Any deviation from the covenants set forth in this Declaration will result in fines and necessitate immediate correction of the violation at the Owner's expense. The Declarant, the ARC and the Association have the right to impose on the Owner a fine of \$500.00 per day for any one violation of these covenants, for continued or unremedied violations and the payment of any attorney and/or corrective costs incurred. Any amounts set above are subject to change by approval of Declarant.

8.24. The purchaser of a Lot and the Association with respect to the Common Area, shall accept the same in its existing condition, as is, where is, and with all faults; no warranties or representations having been made by the Developer or its designated representatives except as may be expressly stated herein. The acquirer agrees to indemnify and hold the Developer, its successors or assigns, harmless against any claim, liability, damage, or cost in connection with the Developer's development of the Property. The Property may consist of filled land or partially filled land. Developer shall not be responsible or liable for any claims of any kind or character related to the fill or soil conditions of the Property. Developer makes no warranty concerning the degree of rainwater inundation that may result on the Property, since any inundation can be expected with rainfall which exceeds the current design standards. The Developer shall not be responsible for any trees that die.

The provisions of Section 8.24 shall survive the closing of any sale of Lots or the Property.

ARTICLE IX – COMMON AREA RULES

Until the last lot is sold, the Declarant shall control all activities related to the Common Areas but may chose to turn over to the Association at any time. After the Association has been turned over to the homeowners, the Board of Directors of the Association shall have the absolute right to adopt rules, as it deems, in its sole discretion, for the use of the Common Area as necessary to protect the health, safety and mutual interests of the Association and its Members, and interpret, amend, or modify the same from time to time.

ARTICLE X – MISCELLANEOUS

10.01. 10.04. The Declarant, the Association, or any Owner, shall have the right to enforce these covenants and restrictions by any proceeding at law or in equity, against any person or persons violating or attempting to violate any covenant or restriction, to restrain violations, to require specific performance and/or to recover damages; and against the land to enforce any lien created by these covenants; and failure by the Developer, the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter. 10.05. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no way affect the validity of any other provisions, which shall remain in full force and effect.

10.06. No restriction, condition, obligation, or provision of this Declaration shall be deemed to have been abrogated or waived by reason of any failure or failures to enforce the same.

10.07. Whenever in this Declaration the context so requires, the singular number shall include the plural and the converse; and the use of any gender shall be deemed to include all genders.

In the event that a Lot is owned by two or more persons, the vote allocated to that Lot shall be cast by the person authorized by such multiple Owners, and in the event of a failure to agree upon such authorization, no vote shall be recorded for that Lot. In the event that only one of two or more Owners of a Lot is present in person at a meeting, such one person shall be presumed to be authorized by all other Owners of the Lot to cast the vote with respect to such Lot. 3. Meetings of Members

- a. Place of Meeting. Meetings of the Members shall be held at the principal office or the principal place of business of the Association, or at such other place as may be designated from time to time by the Board of Directors.
- b. Annual Meeting. After the Association has been turned over to the Owners, the annual meeting of the Members of the Association shall be held at a date and time established by the Board of Directors. The Declarant and only the Declarant will

determine when the first annual meeting will occur. At such meeting, the Members shall by written ballot elect a Board of Directors in accordance with these Bylaws and transact such other business of the Association as may properly come before them.

- c. Special Meetings. Special meetings of the Members may be called by a majority of the Board of Directors. If any meeting of the Members cannot be held because a quorum is not in attendance, the Members who are present, either in person or by proxy, may, except as otherwise provided by law, adjourn the meeting to a time not less than forty-eight (48) hours from the time the original meeting was called without a requirement for additional notice.

The vote of any membership,

which is owned by more than one person, may be exercised by any of them present at any such meeting unless any objection or protest by any other owner of such membership is noted at the meeting. In the event all the co-owners of any membership who are present at any meeting are unable to agree on the manner in which the vote for such membership shall be cast on any question, then such vote shall not be counted for purposes of determining that question. No Member is eligible to vote, either in person or by proxy, or to be elected to the Board of Directors, who is shown in the books or management accounts of the Association to be more than thirty (30) days delinquent in any payment due the Association.

- h. Proxies. A Member may appoint any other Member, or any other person permitted by law or by these Bylaws as his proxy. 4. Nominations. Nomination for election to the Board of Directors shall be made by the Initial Board of Directors. Nominations shall also be accepted from the floor at the annual meeting of the Members. The Board of Directors may consider establishing a Nominating Committee.

A Director may be removed by the members only at a meeting called for the purpose of removing the Director, and the meeting notice must state that the purpose, or one of the purposes, of the meeting is removal of the Director. A director may also be removed for cause by a majority vote of the entire Board. VACANCIES: Any vacancy occurring in the Board of Directors shall be filled by the affirmative vote of a majority of the remaining Directors, though less than a quorum of the Board of Directors.

6. Compensation. No compensation shall be paid to Directors for their services as Directors, provided however, that a Director shall be paid for services performed for the Association if a resolution authorizing enumeration for services actually performed is considered and adopted by the Board of Directors before such services are undertaken.

A Director participating in a meeting by this means shall be deemed to be present in person at the meeting.

8. Notice of Directors' Meetings. Regular meetings of the Board of Directors shall be held without notice. Special meetings of the Board of Directors shall be preceded by at least two (2) days' notice to each Director of the date, time, and place of the meeting. The notice need not describe the purpose of the special meeting. Notice of an adjourned meeting need not be given if the time and place to which the meeting is adjourned are fixed at the meeting at which the adjournment is taken and if the period of adjournment does not exceed one (1) month in any one (1) adjournment.

A Director may waive any notice required by the Oklahoma General Corporation Act, the Charter, the Declaration, or these Bylaws before or after the date and time stated in the notice. The waiver must be in writing, be signed by the Director entitled to the notice and be filed with the minutes or corporate records. A Director's attendance at or participation in a meeting waives any required notice to him of the meeting unless he objects at the beginning of the meeting or promptly upon his arrival objects to holding the meeting or transacting business at the meeting and does not thereafter vote for or assent to action taken at the meeting.

10. Quorum and Vote. The presence of a majority of the Directors shall constitute a quorum for the transaction of business. A meeting may be adjourned despite the absence of a quorum, and notice of an adjourned meeting need not be given if the time and place to which the meeting is adjourned are fixed at the meeting at which the adjournment is taken, and if the period of adjournment does not exceed one (1) month in any one adjournment. The vote of a majority of the Directors present at a meeting at which a quorum is present shall be the act of
