Dear Community Supporter:

Mission 4; is dedicated to supporting our youth's mental and emotional well-being. We empower young people to overcome challenges, foster resilience, and provide hope to families navigating loss and trauma. This newly 501(c)3 non-profit will be made possible solely due to the generosity of parents, townspeople, and our supportive business community.

We envision a community where every child feels valued, supported, and equipped to thrive, and where families facing grief or hardship find hope and healing. Our goals are to:

- empower youth
- provide support
- raise awareness about mental health, suicide prevention, and trauma recover
- build connections with organizations and local leaders to expand access to support and resources
- honor Luke and Holden's Legacy carrying forward their spirit of kindness, compassion, and love for children in every initiative we undertake.

We need your help! We are looking for monetary contributions for Mission 4;. All donations are truly appreciated. Mission 4; is a non-profit organization run solely by family and friends of the deceased Luke Martin and Holden Breaux. Our tax ID number is 93-4815329. We receive no funding other than from fundraising and charitable contributions.

Should you wish to contribute monetarily to this worthwhile cause, please make your check payable to Mission 4; and mail to: P.O. Box 11, Mathews, LA 70375. Sponsorship is not limited to monetary donations; however, we also welcome auction items. For this type of donation or if you have any questions, please contact Lacie LeBoeuf at 985-209-2915 or mission4.luke@gmail.com.

Please help us to continue spreading kindness by making Mission 4 another successful organization for our local youth. Thank you again for your generous support.

Sincerely,

Lacie Jo LeBouef
President
