Outpatient Sexuality & Gender Therapist (Trauma-Responsive)

Journey Wellness & Consulting Group, LLC. (JWCG), a trauma-responsive outpatient holistic psychotherapy practice specializing in intersectional and affirming sexuality and gender psychotherapy practice. JWCG is seeking a qualified candidate for Outpatient Sexuality & Gender Therapist. JWCG provides an sex-positive, pleasure-affirming integrative and somatic approach to mental health and sex therapy in the least restrictive environment possible (via telehealth). JWCG supports youth, adolescents, adults, and relationships in a wide variety of lived experiences, including but not limited to, mood disorders & disability, trauma and PTSD, self-sabotaging & self-worth, intimacy & relationships, in addition to, sexuality and gender identity development.

The candidate must have 2 years of providing clinical services for individuals & relationships. The candidate must understand the components of comprehensive sex education, in addition, to sexuality & gender development. Additionally, the candidate must also be skilled in the development of comprehensive assessments and treatment plans, delivering of a wide range of clinical and supportive services, and working collaboratively with other service providers.

Responsibilities

- Provides outpatient sex-positive, pleasure-affirming somatic psychotherapy services to identified clients including creating, coordinating, and monitoring client's treatment plan and services provided by treatment team.
- Provides individual, couple, relationship therapy & coaching.
- Attends individual and group supervision and trainings.
- Develop and maintain proficiency within the field of sexology according to their specialty.
- Maintains the electronic clinical record for assigned clients to include the following:
 - written comprehensive assessments, using the forms approved by the agency, and completed within assigned time frame;
 - preparation and presentation of treatment plans, including each client's goals, within assigned time frame;
 - documentation of services and response to treatment to include timely completion of progress notes and summaries and documentation required for billing to third parties.
