InCapta, Inc. (formerly known as TBC Global News Network, Inc.) On March 5, 2003, the Company again amended the articles of incorporation so that (a) an increase in the authorized capital stock of the Company can be approved by the board of directors without shareholder consent; and (b) a decrease in the issued and outstanding common stock of the Company (a reverse split) can be approved by the board of directors without shareholder consent (see Exhibit 3.3). On July 11, 2003, the Company amended its articles of incorporation to increase the number of authorized common shares to 900,000,000 (see Exhibit 3.4). (A WYOMING CORPORATION)

B. Business of Issuer (Cont.)

During the period of July 2002 to September 2002, the Company acquired AmCorp Group, Inc., a Nevada Corporation, and Naturally Safe Technologies, Inc. also a Nevada corporation. In February 2005, AmCorp amended its articles of incorporation, changing its name to GameZnFlix Racing and Merchandising, Inc. AmCorp provided services to companies that desired to be listed on the OTCBB and Naturally Safe held patents on a product that assisted Christmas trees in retaining water. Both these companies have ceased operations. In September 2003, the Company acquired Veegeez.com, LLC, a California limited liability company. This company has ceased operations.

On April 30, 2009, the Company entered into an Acquisition Agreement with TBC Today, Inc., a Nevada corporation, where the Company acquired all of the outstanding common stock of TBC. Under this agreement, all 11,000,000 shares of TBC Today, Inc. common stock issued and outstanding will be acquired by the Company for 11,000,000 shares of restricted common stock of the Company. On August 14, 2009, the Company issued 11,000,000 restricted shares of common stock to the shareholders of TBC Today, Inc. in completing this acquisition. This company has ceased operations

On May 7, 2009, the Company filed a Certificate of Amendment to Articles of Incorporation with the Nevada Secretary of State (see Exhibit 3.10). This amendment changed the name of the Company to TBC Global News Network, Inc. This corporate action had previously been approved by consent of a majority of the outstanding shares of common stock of the Company.

On March 19, 2010, the Company entered into a Purchase and Sale Agreement with Sterling Yacht Sales, Inc. and its stockholders, Glenn W. McMachen, Sr., and Arlene McMachen (see Exhibit 2.2). Under the terms of this agreement, the Company agreed to acquire 100% of the issued and outstanding common stock of Sterling. In return, the Company agreed to issue restricted shares of Company common stock to Sterling's stockholders in an aggregate amount resulting in an 82.5% ownership of the Company by those individuals.

On September 1, 2014, the Company determined that Sterling and its stockholders materially breached this agreement and therefore the agreement is null and void. Therefore, Sterling is not a subsidiary of the Company and the Company has no further obligations under this agreement.

On April 27, 2015, a 3,000 to 1 reverse split of the Company's common stock became effective.

On September 3, 2015, the Company completed an Acquisition Agreement under which the Company acquired all of the equity interests of Stimulating Software, LLC, a Florida limited liability company formed on November 5, 2014 ("Stimulating Software"), the acquisition of all the common stock of Inner Four, Inc., a Florida corporation formed on June 19, 2007 ("Inner Four"), and all of the common and preferred stock of Play Celebrity Games, Inc., a Delaware corporation formed on June 5, 2015 ("Play Celebrity"). This acquisition was accomplished through a payment by the Company of common stock and Series A preferred stock. This Acquisition is providing assets and revenues to the Company as Inner Four has had revenues and operations from 2007 to the present (see Exhibit 2.3).

Under the Acquisition Agreement, the Company paid to John Swartz, the owner of all the outstanding shares of Inner Four and Stimulating Software, 2,575 restricted shares of Company Series A preferred stock. Mr. Swartz has entered into a consulting services agreement with the Company under which he is paid 3,307,420 restricted shares of Company common stock (see Exhibit 10.6). As the consideration for the sale of the Play Celebrity stock to the Company, the Company issued to Team AJ, LLC, a North Carolina limited liability

A portion of these shares was transferred to AF Trust Company, a Florida corporation, and Kaptiva Group, LLC, a Florida limited liability company (also both controlled by Mr. Acunto).

Under the Acquisition Agreement, the Company has the option to purchase other companies owned by Mr. Swartz, namely Navy Duck, LLC, a Florida limited liability company, Ocean Red, LLC, a Florida limited liability company, and Purple Penguin.com, Inc., a Florida corporation. Should the Company exercise this option it will pay Mr. Swartz the sum of \$1,500,000, with certain adjustments as specified in the Agreement.

As part of this Acquisition, the Company entered into a Design and License Agreement with Navy Duck, Ocean Red, and Purple Penguin.com, Inc. (see Exhibit D to Exhibit 2.3)

As part of the Action, the Company amended its Articles of Incorporation to increase its authorized capital to 25 Billion common shares and 10 Million Series A Preferred shares The Action was approved by unanimous consent of the board of directors and the written consent of the Company’s shareholder holding voting rights equal to 110% of the Company's issued and outstanding shares.

On April 4, 2018, an amendment was adopted and filed with the Wyoming Secretary of State to increase its number of authorized common shares from 25,000,000,000 to 50,000,000,000 shares.

servicing clients within the lower 48 states. Management has also been working on developing the golf company. The company believes all golf technology will be available for marketing of products in 2019.

We have redirected our efforts toward the cloud television market and have launched two cloud television networks, World Drone Recreation Aviators (wdra.tv and wdra.club) and Leading Edge Radio Network (leadingedgeradio.tv). Each network develops its own channel(s) content and works with the Company to ensure that their viewers receive it. Overview

We are continuing the development of our online movie channel, a 24 hour a day streaming internet TV station, and the further development of our online news and video news bureau in association with Leading Edge Radio Network and Mancuso Martin Productions.

The company is now in development of films including, “4th and Goal” a sports drama, “Brother Gulf Stream 10” a comedy, and “Constance”, a horror film.

Discussions with Mancuso Martin Productions continue in development and are on Schedule, as previously reported and the potential acquisition of seven additional screenplays as previously disclosed remains viable and ongoing.

We continue to develop revenue share agreements and strategic partnership opportunities with radio, TV, movie and entertainment companies.

The company is also exploring the possible acquisition of a grocery wholesale company in 2019 and recently brought David Heavener, AWARD-WINNING WRITER, DIRECTOR & PRODUCER of

over 40 Feature Films and in charge of Distribution for InCapta, Inc. Mr. Heavener has developed a new TV series entitled, “The Last Evangelist.” – WHERE CSI MEETS REVELATION, in cooperation with InCapta, Inc.

In October 2017, we launched XVIINews.com which features news and various video updates featuring Susan Knowles, formerly of the Blaze.

On May 26, 2017, we entered into the Revenue Share Agreement with The Car Flip Guys pursuant to which we received an interest in a weekly internet television show, “The Car Flip Guys” which focuses on how two young guys started and developed their own company with our assistance. Additionally, The Car Flip Guys restoration of a 1971 Ford Mustang is on time and expected to preview the automobile for sale at auction or privately. Previously, we had reported an expectation to report income during the third quarter of 2017 but, due to additional work being required on the vehicle and an unanticipated wait for parts, we now believe we will report income in the fourth quarter from the sale of the vehicle.

Preliminary discussions continue regarding the acquisition of a golf ball and equipment company which is scheduled to debut in 2018. The golf company plans to feature two professional lines of golf balls for amateurs and professionals, golf gloves, golf club golf shoes, apparel and accessories. Although, if the acquisition is completed, we do not have plans to establish a brick and mortar operation. We believe that U.S. and worldwide golf courses, off course pro-shops and various retailers would be interested in picking up the brand, due in part to the science of the golf balls, performance, golf shafts and other components. Additionally, we believe that certain designers who we expect to be involved with us and our unique marketing plan will set us apart from its competitors.

The company continues research and development on golf ball designs as well as golf shaft designs. Further testing is scheduled during the third quarter. The company has entered negotiations to assist various companies in the development of screen play properties and believes that additional films will go into development during the third and fourth quarter.

Our current CEO is also an experienced former professional golfer with numerous contacts from the various tours including the PGA, web.com, Champions Tour, and LPGA Tours, respectively.

InCapta, Inc. appointed Ean Martin as its new (C.O.O.) Chief Operating Officer on July 9th, 2018. He is the son of Gregory Martin, the company Chairman, President, and Chief Executive Officer.

The company began a major turnaround in revenue and operations in the first quarter of 2019. Management continues to seek new opportunities and future acquisitions to gain revenue and add value to the company and shareholders.
