

Update 03/03/2021

As stated in the company's previous press, InCapta, Inc. is actively working to gain OTC current status. We believe it is the best interest for the company to keep the public consistently updated and to further the business plans for 2021 and beyond. The Company is working daily with our Securities Attorney to facilitate becoming OTC Markets current. It does take time and we are working as rapidly as as possible. Please visit the company website at www.InCapta.com.

Ean Martin, Chief Operating Officer, says, "Since our last update we continue following the roadmap toward being OTC Markets current. We appreciate all our shareholder's patience and enthusiasm. We look forward to finalizing this as we near completion of these requirements and are excited about the company's plans for expansion to also be disclosed in the near future. We are working with our Securities Attorney daily to complete all necessary requirements and there are many."

Gregory Martin, Chairman and Chief Executive Officer said, "The process of transitioning the company from dark to light is a major undertaking, particularly while expanding. We believe that we are close to nearing completion of the task."

The company does not make statements outside of official press releases, the company website or official communications. Anything or anyone expressing anything to the contrary, should be disregarded. We wish to thank our shareholders for their participation and extend our best wishes for a safe, healthy, and successful 2021.

Forward-Looking Statements

Notice:

This release contains forward-looking statements made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Forward-looking statements include, but are not limited to, the Company's views on the expected future trading of its common stock following the filing of and are generally identified by phrases such as "thinks,"

"anticipates," "believes," "estimates," "expects," "intends," "plans," and similar words. Forward looking statements are not guarantees of future performance and are inherently subject to uncertainties and other factors which could cause actual results to differ materially from the forward-looking statement. These statements are based upon, among other things, assumptions made by, and information currently available to, management, including management's own knowledge and assessment of the Company's industry, competition and capital requirements. These and other risks are more fully described in the Company's filings with the Securities and Exchange Commission including the Company's most recently filed Annual Report on Form 10-K

and Quarterly Report on Form 10-Q, which should be read in conjunction herewith for a further discussion of important factors that could cause actual results to differ materially from those in the forward-looking statements. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise. Consider those factors carefully in evaluating the forward-looking statements. The Company undertakes no obligation to update these statements for revisions or changes after

the date of this release, except as required by law. This press release contains “forward-looking statements” within the meaning of Section 21E of

the Securities Exchange Act of 1934. The words “believe,” “expect,” “anticipate,” “should,” and other similar statements of our expectation identify forward-looking statements. These forward looking statements are based largely on management’s expectations and involve known and unknown risks, uncertainties and other factors, which may cause the Company’s actual results, performance or achievements, or industry results, to be materially different from any future results, performance or achievements expressed or implied by these forward-looking statements. Risks that could cause results to differ materially from those expressed herein. The company reserves the right to correct any errors.
