These prices are provided to you in a manner requested by Fair Trading Queensland however, they are provided in addition to the price schedule for the direct cremations available as a service from Simple Cremations Brisbane.

Simple Cremations Brisbane is a limited service offered to Queensland families as a low-cost alternative to traditional funeral arrangements; therefore, additional services, such as burials, are unavailable with our service. As experienced, professional funeral directors, however, we can advise families in all areas of funeral service and provide advice on funeral homes and directors that can assist.

Registered Mortuary provided by Academy Funerals Lawnton.

Crematoria Used is Nudgee Crematorium, owned by the Catholic Church; however, it is the family's right to select another crematorium if they wish. Simple Cremations Brisbane may need to adjust the final account if the family requests a different Crematorium.
