4. **Note:** In cases where the loved one who has died is of a large stature requiring additional care, the above costs may need adjusting. If required, this will be discussed PRIOR to your confirmation of our care.

The above are standard fees that relate to most circumstances in direct cremations. As funeral directors, however, we understand that there are always unique situations and individual wishes. Because we are experienced funeral directors connected to an established Brisbane funeral company, we can arrange, prepare and manage any form of simple or complex cremation or burial.

If the above details don't quite fit your needs, don't hesitate to contact us to discuss bespoke arrangements.
