

Welcome to The Melody Choir, we are so glad that you have decided to come and see what our friendly, community choir family is all about!

As you are a visiting member to this choir, we give a 2-week free trial period so that you can decide if you would like to become an 'official' member.

After your 2-free week trial period membership is then paid monthly through subs which can be paid through BACs/standing order to the choirs' bank account. Please check with someone about the current rate, this does change according to the size of the choir.

To find out more information about us and to keep in the loop with events and chats, it is highly recommended that you join our members' only Facebook group. Here you will be able to read our constitution which explains in more detail the aims of our choir. Should you not be on social media, a family member can be part of this group so you do not miss out on anything.

We hope that you enjoy your first two weeks with us, and that you decide to stay as a member of the choir.

If you have any questions then please don't hesitate to speak to one of the committee members below, or any other members of our choir.

With best wishes,  
The Melody Choir Committee
