

## **GRANT FUNDING GUIDELINES**

**The Mission of the Boys and Girls Foundation is to identify, support or create programs, which provide preventative services or direct care to at-risk and underserved children/youth in San Diego County**

**At-Risk:** Youth who are exposed to factors that may increase their tendency to engage in problem or delinquent behaviors.

**\*\*We will not fund organizations who have applied within the last 12 months. All grant recipients must submit a 6 month and a 1-year progress report before they will be considered for an additional grant\*\***

### **Preferences:**

#### **We prefer to:**

- -Make direct contributions to non-profit organizations who provide programs, projects or
- services to at-risk and underserved children/youth in San Diego County
- Make single year grants rather than multi-year commitments
- Provide funding for local start up organizations rather than nationally funded organizations
- Provide support to programs that include partnership with families or guardians
- Provide camp scholarships through our *Boys and Girls Go to Camp* voucher program

### **Exclusions:**

#### **We do not fund requests that benefit:**

- Organizations that discriminate according to race, gender or religion
- For profit organizations
- Adult programs

### **Restrictions:**

#### **We generally do not provide funding for:**

- Salaries
- Employee benefits
- General operating expenses of the organization
- Field trips
- Capital improvement or building funds
- Programs outside San Diego County
- Organizations who have received funding in the last 12 months
- Camp programs
