

HOOKAH

Starbuzz 30.00

- Blue Mist: A fusion of blueberry and cooling mint
- Pirates Cave: A sweet and creamy blend like Lime Margarita
- Sex on the Beach: Similar to it's namesake, this shisha flavor combines one part lemon and one part orange
- Candy: Refreshing flavors of pineapple and banana
- Blueberry: A Blueberry shisha tobacco that's a touch less sweet than its competitors.
- Mighty Freeze: Hints of lemon drop candy meld perfectly with menthol freshness for a delicious burst of chilly fruit flavor.
- Sweet Melon: Unlike other melon flavored hookah tobacco, this one is particularly potent, with strong aromas and flavor.
