1. What is your profession, or where do you work?

I work in Marketing for a local business called Your Brand Crew.

2. Do you currently, or have you ever played club soccer before? Where?

I play soccer since the age of 5 and try and do it wherever I am, both indoor and outdoor.

3. What position do you like to play the most and why?

Midfielder, because I love being in the middle controlling the ball.

4. What is your favourite professional soccer team and why?

A team called Colo Colo from Chile, because my dad was a big fan of that team, so when we moved there, this was also my team.

5. Who is your favourite professional soccer player and why?

There are lots of players that I like however, I believe that Diego Maradona was just very natural and too good with a ball on his feet, who was able to win games by himself.

6. What nationality are you? Have you ever lived in a different country?

I'm a Chilean-Australian. I was born in Australia but my parents are from Chile. I've lived in both countries.

Eerwah Vale but planning on moving to Eumundi as soon as we can.

8. Do you have any pets, and what are their names?

Yes, a lovely Staffy called Scout.

9. Do you have another job (when you are not busy with the magpies)?

Besides coaching and working in Marketing, I'm a busy dad of two.

Soccer, soccer, soccer. And love going out and having fun with the family.

11. What is something interesting or funny about you that most Magpies Families do not know?
