

SOCCER-ROOTS ACADEMY

Thank you for choosing us!

As part of the registration/enrolment process you must read these Terms & Conditions, and acknowledge that you agree with these in Step 3 of the enrolment process.

As a guardian/parent/carer of my little player/participant at SOCCER-ROOTS ACADEMY, I agree with the following statements:

The Coach and SOCCER-ROOTS ACADEMY deliver fun, friendly, non-competitive soccer programs to players, regardless of their ability in this sport. We encourage every single boy and girl to enjoy the session, develop new skills, be respectful with others and the coach, and discover the foundations of the game of soccer during the nine-session term.

The Coach holds a First Aid Certificate and will be prepared to assist in case of any injury. Due to the nature of the drills and activities, and the preparation of the hall, nothing major should occur. If anything occurs, the guardian/parent/carer shall assist, so the coach can continue doing the session with the other players/participants, use the First Aid Kit allocated in the Box if necessary, and encourage the player/participant to return as soon as possible to the session. The Coach can further assist after the session.

The player/participant is in good health and has permission to be part of SOCCER-ROOTS ACADEMY.

The player/participant is respectful of others and is friendly with his peers. In case he/she is not complying or being helpful during the session, the guardian/parent/carer shall assist with taking care of him/she for some time until ready to return.

The Coach and SOCCER-ROOTS ACADEMY make sure that all players/participants are safe and secure during the sessions. No drill, game or activity will endanger the players/participants health. The Coach and SOCCER-ROOTS ACADEMY assume no responsibility and will not be held liable for any injuries and illness, or accidents during the class resulting in medical, dental or other expenses. Again, due to the nature of the drills and activities, and the preparation of the hall, nothing major should occur.

As a guardian/parent/carer, I give the Coach and SOCCER-ROOTS ACADEMY permission to use at no cost my child's picture in promotion of the program in social media and other forms of advertisement.

As a guardian/parent/carer, I shall stay during the whole session to celebrate my little player(s) achievements, goals and new skills, and assist the coach in case my player/participant requires any type of help (rest, hydration, toilet, etc).

As a guardian/parent/carer, I have read the website and I am aware of what SOCCER-ROOTS ACADEMY is About, what programs are on offer, what are the fees and its conditions, where it is located and know how to contact the Coach in case of any questions regarding this document or anything related to this Academy.
