## 2025 Outdoor Soccer Season

### Information Pack

The Eumundi Magpies FC is a not-for-profit member-based and community-orientated Club located in Eumundi.

We are a Club that provides fully practical and fun based soccer sessions, where coaches encourage the players to not only learn the basics or improve their abilities, but to discover the foundations of the game in a friendly environment. The players shall learn skills that would make them not only a good athlete or football player, that can kick the ball around, but one that understands the way we should play this sport.

Our Club makes sure that its members are part of its growth and spirit, through social events, a friendly atmosphere with open channels to support and participate, with strong connections to the local community, and a commitment to hold its inclusive nature.

***Did you know that our Club was recently awarded the Sunshine Coast Sports Winter Season Inclusivity Award?***
