ALBERT J. CARINO BOYS BASKETBALL CLUB OF SOUTH JERSEY

March 23, 2025

Thank you for supporting this classic event for 46 fabulous years.

The previous All-Star games have been able to provide a total of 252 scholarships totaling over \$150,000 in assistance to South Jersey basketball players towards their college education.

The Lions Clubs in District 16-L have also received an amount of \$125,000 over the past 34 years and have donated their monies to several charities and now join with The Carino Boys Basketball Club in strengthening the scholarship fund.

Finally, this All-Star Boys doubleheader showcasing the 8th Grade players in South Jersey, as well as the best of the High School seniors in all of South Jersey, could not have been promoted without the help of the following people: *Albert J. Carino Boys Basketball Club of South Jersey* and 96 member schools; *Lions Clubs in District 16-L;* school players and coaches; *IAABO Camden District Board 34;* the *Staff at Rutgers University, Tom Williams*, (Prime Events), *Kevin Minnick*, and the local news media along with many others.

Thanks for your support!
