

## YES WOMEN

By **Splash Staff** / **Parties** / November 1, 2013

Hosts **Linda Johnson Rice**, **Desiree Rogers** and **Mitzi Miller** encouraged 250 women to celebrate their individual beauty at Fashion Fair's Say Yes party, held Oct. 30 at the Pump Room (1301 N. State). Throughout the evening, attendees — including **Melody Hobson**, star of VH1's "CrazySexyCool: The TLC Story" **Drew Sidora** and singer/actress **Michelle Williams** — sampled Fashion Fair's cosmetics, received makeovers from celebrity makeup artists and danced to tunes from **DJ Kiss**. Guests also screened a short film, "Say Yes," directed by Sundance award-winning filmmaker **Ava DuVernay** and designed to inspire women to feel self-confident and say yes to all of life's possibilities.
